And

through their Principals and unanimously agrees the following set of codes:

#### CL1 Purpose

1.1 This agreement of MoU is proposed to share inter-library reading material of both college libraries through Inter-Library Loan (ILL) Scheme.

1.2 This ILL scheme is purely intended to balance local collections and is not a substitute for good library collections planned to meet the routine needs of users.

#### CL 2 Regulations & Scope

2.1 The conduct of inter-library loan scheme is regulated by the set of codes prepared by the authorities of both colleges in mutual understanding.

2.2 The period of this agreement will be **Five years** from the date of signing this MoU. The agreement shall come to an end on the expiry of the period, unless extended by both the parties.

#### CL 3 Definition

3.1 The rules prepared under this ILL scheme cover transactions between two libraries of above colleges.

3.2 The terms 'Requesting Library' and 'Supplying Library' are used in preference to 'borrowing' and 'lending' to cover the exchange of copies as well as loans; similarly the term 'Material/Document' is used for reading material of library in any form.

#### CL 4 Responsibilities of the Requesting Library

##### 4.1 Confidentiality

4.1.1 Inter-library loan transactions, like circulation transactions should be maintained strictly confidential in the library records.

##### 4.2 Complete Bibliographic Citation

4.2.1 A good bibliographic description should be given while requesting the material so that the user will receive the exact requested item.

##### 4.3 Transmitting the Request

4.3.1 The requesting library should send a loan request via conventional letter, fax, Internet transmission, or E-mail. Electronic communication is recommended to save the time, money and for swift transaction.

4.3.2 The requesting library should communicate with the supplying library in advance if the material is needed for other uses such as course teaching, classroom or other group viewing of audio-visual material or for an extended loan period

#### **4.4 Due Date and Use Restrictions**

4.4.1 Borrowed material can be kept for the maximum period of 15 days only.

4.4.2 Overall 10 numbers of reading material can be given. However, documents in the electronic form such as E-Reports, E-Clippings, and Audio-Video Files except of CDs have no limit and could be shared through E-mail.

4.4.3 It is the ultimate responsibility of the Requesting Library to return material/s in the same condition in which they were received. In particular, adhesive labels or tape should not be affixed directly to any borrowed material.

4.4.4 The issued material/document should not be handed over to any other person not concerned to college.

4.4.5 In case loss of issued material the concerned college has to replace the same edition copy or to pay the cost of material. If material damaged while using, the borrowing college should pay the charges.

4.4.6 The Requesting Library is responsible for ensuring compliance with any use restrictions specified by the Supplying Library such as 'Reference only' or 'No photocopying'.

4.4.7 When the Supplying Library denies a renewal request, the material should be returned by the original due date.

4.4.8 The response to a recall for the material may be the immediate return, or timely communication with the Supplying Library to negotiate a new due date.

#### **4.5 Shipping**

The Requesting Library should pay both sided postage or transfer expenditure.

#### **4.6 Suspension of Service**

4.6.1 During the tenure of the agreement, Supplying Library may terminate the agreement either for break of any terms and conditions of this agreement or otherwise giving a one month notice in writing to the defaulting party.

### **CL 5 Responsibilities of the Supplying Library**

#### **5.1 Material Format**

Supplying Library is encouraged to lend as liberally as possible regardless of the format of the material requested such as audio-visual material and other categories of material that have traditionally been non-circulating.

#### **5.2 Confidentiality**

The Supplying Library has a responsibility to retain the confidentiality of the individual requesting the material. The sharing of the user's name to others is not, of itself, a violation of confidentiality.

#### **5.3 Timely Processing**

The Supplying Library has a responsibility to act promptly on all requests. If a Supplying Library cannot fill a request within a reasonable time then it should respond promptly at earliest.

#### **5.4 Identifying the Request**

The supplying library should send sufficient identifying information with the material to allow the requesting library to identify the material and process the request quickly. Such information may include a copy of the request, the requestor's transaction number etc.

#### **5.5 Due Date and Use Restrictions**

5.5.1 The Supplying Library should clearly indicate the date on which it expects the loan to be discharged in its circulation system. Additional period should be suffixed to a definite date that have room for the sending and return of material as well as sufficient time for the use of the material.

5.5.2 The Supplying Lib

## 5.6 Suspension of Service

A Supplying Library is encouraged to address the problem to the Requesting Library before termination of Service
