Report on Visit to Yashodhan

9th March 2023

Women Empowerment cell of Kisan Veer Mahavidyalaya, Wai visited Yashodhan Trust (Anath ashram) at Vele near Solashi on 9th March 2023. Our ladies faculty forty gifted thirty maxis to ladies from *anathasharam* and spent some time with them. We also distributed biscuits and sweets to the ashram resident. Visiting to Yasodhan trust was one of the best eye-opening experiences. It can give us a glimpse into the lives of the people who don't have their relatives, feared ones, mentally retired and the challenges they face. The services given by Ravi Bodake, owner of trust and his wife is very admirable. We spent some time interacting with the residents and listening to their stories. They shared their sad experiences, and it was humbling to hear them. Transportation facilities were provided by our college to us.

Visit to the *anathasharam* was an enriching experience. It made us appreciate the elderly and their contributions to society, and also made us aware of the challenges they face. We left the ashram with a sense of gratitude and respect for the residents and the staff who take care of them.
