Departments of Economics

Report of Guest Lecture – 15th February 2019

A Guest Lecture on "Easy Way to Develop a Career" was organized by Department of Economics under Lead College Scheme on 15th February 2019. In financial year 2017-18 about 30 lakhs auto-rickshaw has been sold out and on another hand Electronic Vehicle production industries require 30 thousand befitting employees. This is an instance of employment generation and employers requirement. In first case where a higher rate stiff supply is and in next case there is stiff demand for employees. Students in this time majorly offer their effort in some centric profession but except these existing professions some new opportunities are there which they easy don't get. Considering this fact we organized this guest lecture.

C.A. Gauri Kulkarni was the Chief Guest from Nilaya foundation Pune and Prin. Dr. C. G. Yeole was a Chairperson of a Program. C.A. Gauri Kulkarni in her appealed speech mainly focused on how to choose career wisely and how should prepare for career development. She spoke basically on four factors which help to develop a bright career i.e. self-discipline, grooming, multi- language communication and subject knowledge. Job gives us only average satisfaction and makes available sufficient time to enjoy over all worldly pleasure, in contrast, business do not give bit time to sigh in relax but have innate capacity to fulfill all exclusive dreams. So students should go with business instead of any job. Prin. Dr. C. G. Yeole in there address clearly distinguished between job and business. Job can give you opportunity once in life but we can't forward same opportunity to our successor but business can do this thing. They also thanked to C.A. Gauri Kulkarni for remained present and giving remarkable lecture on said topic.

About 100+ students were remained present in this organized lecture. Dr. R. S. Gavit gave introduction speech of this program, Dr. M. T. Jadhav introduced chief guest of program, Prof. Mrs. R. S. Bhosale proposed vote of thanks and Prof. Mrs. A. J. Shaikh anchored the program.

Thanking You,
