A One-Day Workshop on
“Advanced Instrumentation Techniques for Industry”

(In association with Lead College Scheme and MOU with Insta Vision Laboratory and Services, Satara)
2024-25

REPORT

Date: 23/09/2024

A One-Day Workshop on “Advanced Instrumentation Techniques for Industry” was organized by the Department of Chemistry in association with Lead College Scheme and MOU with Insta Vision Laboratory and Services, Satara on 20th September 2024. Dr. Ajit Ekal, Managing Director of Insta Vision, Satara was the chief guest of the workshop and Principal Dr. Gurunath Fagare was the President. On this occasion Prof. (Dr.) D.N. Zambare, Head of Chemistry Department, Vice- Principals Prof. (Dr.) C.S. Kamble, Dr. H.D. Kanase and Mr. B.B. Patkure, Dr. Sandeep Wategaonkar, Dr. Anand Ghorpade were prominently present for the same.

While guiding the students, Dr. Ekal said, in today's modern era, students need to have knowledge of advanced chemical equipment. Students should use the acquired knowledge skillfully and get employment opportunities. In the National Education Policy, it is mandatory for the students to go to the actual industry and get skilled training. There are many job opportunities available through hands-on training. He further added that students need to know the technique of interviewing. Along with book knowledge, students need to keep up with the changing technology.

In the presidential address, Principal Dr. Gurunath Fagare said, If the youth realizes their potential, they can influence the world with their wisdom. If you acquire various skills along with deep knowledge, there are many employment opportunities available to you. Prof. (Dr.) Chandrakant Kamble said in his speech, the students of chemistry have many job opportunities in various fields in the future and they should acquire the necessary skills.

While introducing the programme, Prof. (Dr.) Zambare explained the purpose of this workshop and told how this workshop will be fruitful for the students in future. Assistant Professor in Chemistry Department Dr. Sandeep Wategaonkar was felicitated for being recognized as a Ph.D. mentor and for being selected in the editorial board of an international journal. The guests were introduced by Miss. Dhanshree Shirke, while Miss. Akshata Sankpal and Miss. Priyanka Jadhav anchored the workshop. Miss. Nikita Surve proposed vote of thanks. Fifty-Eight students along with faculty members were present for the workshop.

Subject: Invitation as Resource Person

Respected Sir,

It gives us immense pleasure to invite you to deliver a lecture for One-Day Workshop on "Advanced Instrumentation Techniques for Industry" under the MOU and Lead College Scheme for B.Sc. and M.Sc. students, organized by the Department of Chemistry of our college on 20th September, 2024 at 10:00 am. Kindly accept our invitation and deliver the lecture.

Thanking You,

Yours faithfully,

Principal

Subject: Letter of Appreciation

Respected Sir,

We express our deep sense of gratitude to you for giving your valuable inputs as a Resource Person for One-Day Workshop on "Advanced Instrumentation Techniques for Industry" under the MOU and Lead College Scheme for B.Sc. and M.Sc. students, organized by the department of chemistry on 20th September, 2024 at 10:00 am.

Your guidance was extremely insightful and thought-provoking. It will be more useful to our students in building their career.

We hope similar co-operation from you in future.

Yours faithfully,

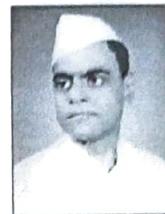

Gurunath J. Fagare
