**A Motivational Speech under MoU on
"Transforming Your Degree into a Dream Career"**

Report

Date : 20th March, 2025

A motivational lecture on "Transforming Your Degree into a Dream Career" was organized by the Department of Chemistry under MoU between Kisan Veer Mahavidyalaya, Wai and D Y Patil Agriculture and Technical University, Talsande (DYP-ATU) on 20th March, 2025. Prof. (Dr.) D.N. Zambare introduced the programme. The Chief Guest for the inaugural function was Mr. Shankar Pujari, Dean, DYP-ATU, Talsande. The Program was Presided by Principal Dr. Gurunath Fagare. Dr. Sandeep Wategaonkar introduced the resource person. The lecture provided valuable guidance on how students and recent graduates can take full advantage of their degrees to launch successful careers. Throughout the session, the speaker emphasized the importance of skill development, networking, personal branding, and adaptability in today's competitive job market.

Mr. Shankar Pujari explained that while a degree is a significant starting point, it is not the only factor determining career success. Instead, it is crucial for individuals to understand how their knowledge, skills, and academic experience can translate into real-world applications. A major point discussed during the lecture was the increasing importance of acquiring practical, transferable skills beyond the theoretical knowledge gained in the classroom. The speaker outlined several key areas that students should focus on; such as, communication skill, problem solving and critical thinking, technical skills, role of networking, importance of internships and work experience.

Principal Dr. Gurunath Fagare said, in today's fast-paced and ever-evolving world, the steps taken during transforming are not only about finding a job but about shaping a future that is both meaningful and rewarding. We are privileged to have with us Mr. Pujari, who brings a wealth of experience and knowledge to help guide us through this journey. We are certain that their insights will inspire and equip you with the tools needed to turn your degree into the foundation of a dream career.

Miss. Nikita Surve and Miss Priyanka Jadhav anchored the program. At last, Mrs. Dipali Patil offered the vote of thanks. 43 students along with the 10 faculty members attended the program.
