All the faculty members along with the students went to the mango orchard of college. Students placed artificial food bags at the trees in mango orchard. They placed cutting water bottles along with water so that birds can easily find food and water.

Department of BCA arranged cleanliness programme and watering plants in the garden. Students most enjoyed the programme and decided to arrange this type of activity every year.

Around 40 male students, 56 female students, and 5 faculty members with a total of 101 members participated in the programme.
