**CAREER OPPORTUNITIES IN VARIOUS INDUSTRIES AFTER**  
**B.SC. AND M.SC.**  
**REPORT**

**Date: 12/01/2024**

One day workshop on “Career Opportunities in Various Industries after B.Sc. And M.Sc.” was organized by the Department of Chemistry on 26<sup>th</sup> December 2023. Firstly, the Head of the Department of Chemistry, Prof. (Dr.) D. N. Zambare welcomed and introduced the purpose of the workshop. Then Principal Dr. Gurunath Fagare welcomed the guest Mr. Abhijit Bhosale by offering a bouquet. The Guest introduction was done by Mrs. Dipali Patil.

After the introduction and welcome, Mr. Abhijit Bhosale guided the students. In his lecture he explained various opportunities for the students in Pharmaceutical industries. He added that students should be ready for industries according to their requirements. Industries are ready to hire all-rounder employees. So, students need to be focused on their communication skills. Further he explained additional courses like alcohol technology, food technology and various instrumental courses which will be beneficiary for the students.

Principal Dr. Fagare, in his presidential address said that knowledge is more important than marks. Students must ask themselves When? Why? and How? while learning. He added that experiential learning is most important in this era of competition. Students must understand the needs of industries which will help the students to get better recruitments.

Overall the guest lecture was fruitful to all students because everyone listened with the utmost interest. Miss. Pooja Jaigude anchored the program. The Guest Lecture ended with a vote of thanks by Miss. Akshada Sankpal.
