## Report

Certificate course in Tele counselling promoting the philosophy of learning, the counselling skills for BA 3 psychology student. The course started in the month of June 2021 by online mode by organizing workshop. The objective of course is to make students to learn counselling skills as well as Tele counselling for development of his or her career in psychology.

The course starts with basic learning of the psychological development process in the field of counselling. And Difference between Counselling and tele counselling. Then the other important factors like types of counselling, Interactions between Counsellor and Counselee, Interview techniques .Use of Technology etc. Teach by our faculty members. In the life skills learning students can learn skills which are very useful in his or her own life.

This certificate course is designed for support, Awareness, Altruism Development for corona situation. To give learners the underpinning knowledge, skills, and competencies to use counselling skills ethically and safely in a variety of contexts and roles and also this Course will offer an appropriate starting point for students, as well as professionals working in other helping professions to apply these skills at their workplaces.

**Learner Outcomes:** By the end of the programme, the learners will be able to:

1. Demonstrate their understanding of the complexities of social realities of the individuals and society.
2. Describe the value, the purpose, and scope of the use of interpersonal-Tele counselling skills in the context of 'helping' professions.
3. Establish and sustain the boundaries in the helping situation/roles.
4. Demonstrate the ability to focus on the helper's needs and concerns and plan interventions accordingly.
5. Also to understand life skills for self-development.

The course emphasizes an experiential style of learning. Central to Tele counselling, skills practice. The course is structured so that students learn not only from what is taught, but also by actively engaging in the various exercises

At the end of successful completion of workshop assignments and written examination, the result shows a success of students to achievements of knowledge.
