DEPARTMENT OF PHYSICS

Educational Tour

Report

19th March, 2025

The Department of Physics in association with Science Forum organized an **Educational Tour** to **Shivaji University, Kolhapur**, on **12th March 2025**. The main objective of this visit was to provide students an opportunity to advance research facilities, higher education opportunities, and cutting-edge scientific innovation.

A group of 16 students along with 3 faculty members participated in this visit. During the tour, students visited the following major facilities at Shivaji University:

Department of Physics: Students interacted with faculty members and researchers, gaining insights into ongoing projects, laboratory instruments, and advances in various technologies.

Common Facility Center (CFC): A specialized center that offers interdisciplinary research support with state-of-the-art equipment.

Sophisticated Analytical Instrumentation Facility (SAIF): Students observed high-end analysis instruments used for material characterization, spectroscopy, and advanced microscopy techniques.

The visit was highly **informative and interactive**, allowing students to witness practical applications of physics and nanotechnology in research and industry. It also helped them understand the significance of scientific instrumentation in modern research.

The Department of Physics extends its sincere gratitude to Shivaji University, Kolhapur, for their support and hospitality. We also appreciate the enthusiasm of students and faculty members, making this educational tour a successful and enriching experience.

Subject :- To get permission for study visit

Respected Sir,

As required by the Shivaji University curriculum, a one-day study visit of all B.Sc. students of the Physics Department has been organized in Shivaji University, Kolhapur and Panhala on Thursday, 12th March, 2025. Please grant us permission for the tour.

Kindly do the needful.

Yours faithfully,

Dr. H. D. Kanase

Kolhapur

Respected Sir,

We are adopting different pedagogies to impart latest knowledge to our students. As a continuation of these efforts, we organize visits to esteemed institutions and organizations, with the aim of stimulating and nurturing our students' interest in research and inspiring them to pursue careers in scientific exploration. The Department of Physics is the best one from our point of view. Therefore, we request you to grant us permission to visit the Department of Physics, Shivaji University, Kolhapur, on March 12, 2025, at 11:00 AM.

The 16 students and 3 faculty members from the Department of Physics of our college are participating in this programme.

We believe that this visit will provide our students with invaluable insights into the field of Physics and enhance their understanding of the subject.

We kindly request your approval for this visit and look forward to your positive response.

Thank you for your time and consideration.

Respected Sir,

On behalf of the Department of Physics at Kisan Veer Mahavidyalaya, Wai, we would like to express our sincere gratitude for allowing us to visit the School of Nanoscience and Technology on March 12, 2025.

The visit was extremely informative and beneficial for our students and faculty members. The opportunity to witness the advanced research facilities at the Department was truly valuable. This experience has significantly broadened understanding of our students in nanoscience and nanotechnology.

We are grateful for the time and efforts your faculty and staff dedicated to make our visit successful. The knowledge and insights gained will undoubtedly contribute to academic and professional development of our students.

Thank you once again for your hospitality and sharing your expertise with us.
