Educational Visit

An Educational visit to the **Common Facility Center (CFC), Shivaji University, Kolhapur** was organized by the **Department of Chemistry** for B.Sc. and M.Sc. students with the aim of providing them practical exposure to advanced analytical instruments and modern research facilities. The visit was planned to enhance students' understanding of theoretical concepts through real-world demonstrations and to acquaint them with sophisticated scientific techniques widely used in research and industry.

Upon arrival, the students and accompanying faculty members were warmly received by the knowledgeable and dedicated team at the Common Facility Center. The visit was carefully structured to ensure maximum academic benefit, and the students were introduced to a range of high-end analytical instruments. The CFC team conducted live demonstrations and provided in-depth explanations of advanced techniques such as **Micro-Raman Spectroscopy, Fourier Transform Infrared Spectroscopy (FTIR), X-Ray Diffraction (XRD), Gas Chromatography–Mass Spectrometry (GC-MS), Atomic Force Microscopy (AFM), and Brunauer–Emmett–Teller (BET) surface area analysis**. Each instrument was explained with respect to its operating principles, analytical capabilities, and applications in various scientific fields.

The demonstrations were highly interactive, enabling students to ask questions and clarify their doubts. Complex scientific concepts were explained in a simple and engaging manner, making the learning experience both effective and enjoyable. The students gained valuable insights into material characterization, molecular analysis, surface science, and structural determination techniques, which significantly strengthened their conceptual understanding and practical awareness.

In conclusion, the educational visit to the Common Facility Center, Shivaji University, Kolhapur was a highly enriching and memorable experience for both students and faculty members. Such initiatives play a crucial role in fostering scientific curiosity and nurturing the next generation of researchers, and we look forward to continued academic collaboration in the future.

Overall the visit was successful and will be beneficial to our students of B.Sc. III and M.Sc. Total 20 students in which 08 males and 12 females along with 2 faculty members were participated in Educational V

Subject: Permission for Educational Visit.

Respected Sir,

We B.Sc. III and M.Sc. students planned to organize Educational Visit at **Common Facility Center (CFC), Shivaji University, Kolhapur.**

Please grant the permission for the same.

Sub- Vote of Thanks.....

Respected Sir,

In continuation of our efforts to impart all possible knowledge to our students, students from B.Sc. III, M.Sc. our Kisan Veer Mahavidyalaya, Wai with staff visited Common Facility Center (CFC), Shivaji University, Kolhapur.

During the visit concern employees of your Common Facility Center (CFC), Shivaji University, Kolhapur. Provided all the information about advanced techniques such as Micro-Raman Spectroscopy, Fourier Transform Infrared Spectroscopy (FTIR), X-Ray Diffraction (XRD), Gas Chromatography–Mass Spectrometry (GC-MS), Atomic Force Microscopy (AFM), and Brunauer–Emmett–Teller (BET) surface area analysis.

We are very much thankful to you for co-operation extended during the visit. Expecting the same co-operation in future.

Thanking you,

Yours faithfully,
