Celebration of National Science Day Report

Date: 28th February, 2025

On the occasion of National Science Day, a special lecture on "*Empowering Indian Youth for Global Leadership in Science & Innovation for Viksit Bharat*" was organized by the Department of Chemistry in association with Science Forum on 28th February, 2025 to celebrate the remarkable achievements in the field of science and technology and to inspire the youth to take up leadership roles in driving innovation. The distinguished panel of speakers and an enthusiastic audience comprising students, academicians, and science enthusiasts were present for this lecture. Principal Dr. Gurunath Fagare welcomed the Chief guest Mr. Makarand Sakate by offering a bouquet. Dr. Sandeep Wategaonkar introduced the Chief Guest.

At the outset the Head of the Department of Chemistry, Prof. (Dr.) D. N. Zambare explained the aim of the programme. He focused on National Science Day, which marks the discovery of the Raman Effect by Sir C.V. Raman, has always been an occasion to recognize the role of science in nation-building and to motivate the youth to contribute to scientific advancement. The theme for the year 2025 was focused on Empowering India's Youth to take the lead in global scientific innovation and contribute to the realization of a "Viksit Bharat" (Developed India).

Dr. Makarand Sakate emphasized that, the youth must embrace the values of curiosity, critical thinking, and problem-solving. Leadership in science isn't just about knowledge, but also about inspiring others to think differently and take action. The youth should see science as a powerful tool for addressing challenges like climate change, health crises, and poverty. He also focused on how to file patent and how to get intellectual property rights.

Principal Dr. Gurunath Fagare said 'The challenges we face today are multifaceted and require innovative solutions. Whether it's harnessing renewable energy, advancing healthcare technologies, or developing artificial intelligence, the youth must take the reins and lead from the front. As we focus on empowering the youth for global leadership, it is vital that we equip them with the skills, knowledge, and vision to drive India's scientific and technological revolution.' Dr. Fagare also gave example of his B. Com student who made a hybrid motorcycle which runs on petrol and battery. He also mentioned that for innovation and research is open avenue to all students irrespective of their discipline. The interest, passion in the act can make ones the scientist.

Miss. Pooja Jaigude and Miss Akshada Sankpal anchored the program. At last, Dr. Sandeep Wategaonkar expressed vote of thanks. 70 students (Male: 25 and Female: 45) along with the 11 faculty members attended the program.

IMPORTANT NOTICE

We are excited to announce that the Department Of Chemistry and Science Forum has been organized " **Poster Presentation**" On the Occasion of " **National Science Day**" on Friday, 28th February 2025 at 09:30 am in the college.

This event is open to all students from Arts, Commerce, Science and BCA Faculties. The attractive prizes and Certificates will be awarded to the winners.

Registration : Mrs.D.S. Patil (9834611977), Mr. S.P. Sanap (9527321297) at the Department of Chemistry on 27 February 2025.

Subject: Invitation as Resource Person

Respected Sir,

It gives us immense pleasure to invite you as a chief guest for "Poster Presentation" on the Occasion of "National Science Day" organized by the Department of Chemistry of Kisan Veer Mahavidyalaya, Wai on Friday, 28th February 2025 at 9:30 am. Kindly accept our invitation.

Thanking You,

Yours faithfully,

Principal

Subject: Letter of Appreciation

Respected Sir,

We express our deep sense of gratitude to you for giving your valuable inputs as a chief guest for "Poster Presentation" on the Occasion of "National Science Day" organized by the Department of Chemistry on Wednesday, 28th February 2025 at 9:30 am.

Your guidance was extremely insightful and thought-provoking. It will be more useful to our students in building their career.

We hope similar co-operation from you in future.

Yours faithfully,

Principal
