**A Guest Lecture under MoU on
"Empowering Success: Key Industrial Skills for Career
Advancement"**

Report

Date: 20th March, 2025

In accordance with the Memorandum of Understanding between Kisan Veer Mahavidyalaya, Wai, and D Y Patil Agriculture and Technical University, Talsande (DYP-ATU), the Department of Chemistry organized a guest lecture on "Empowering Success: Key Industrial Skills for Career Advancement" on 20th March, 2025. The introduction of the programme was done by Prof. (Dr.) D.N. Zambare. Dr. Namdev A. Patil, the Assistant Professor, Department of CSE of DYP-ATU, Talsande, was the Chief Guest at the event. The Program was Presided by Principal Dr. Gurunath Fagare. Dr. Sandeep Wategaonkar introduced the resource person. The session emphasized the growing need for specific industrial skills that go beyond academic qualifications, focusing on what it takes to stand out, succeed, and advance in one's career.

The lecture began with an overview of the changing nature of the global workforce. Dr. Patil highlighted that while technical expertise is critical in many fields, industries increasingly value a combination of hard and soft skills that enable professionals to adapt and excel in dynamic work environments. The ability to continually evolve and acquire new competencies is crucial for career progression. Dr. Patil pointed out that in order to climb the career ladder, it is important for individuals to focus not just on their job-specific expertise, but also on building a set of versatile skills that allow them to add value in various contexts within an organization.

Principal Dr. Gurunath Fagare said, At KVM, we believe in preparing our students not only with academic knowledge but also with the practical skills that are crucial for navigating the fast-evolving landscape of today's workforce. Today's lecture is a vital part of that commitment. We are honored to have with us Dr. Patil, an expert in workforce development and a true leader in understanding the skills that drive success in industries across the globe.

Mr. Ajit Pandhare and Mr. Sominath Sanap anchored the program. At last, Miss. Rutuja Bhoite offered the vote of thanks. 41 students along with the 09 faculty members attended the program.

Subject: Letter of Appreciation

Respected Sir,

We express our deep sense of gratitude to you for giving your valuable inputs as a Resource Person for a guest lecture under MoU on "Empowering Success: Key Industrial Skills for Career" for B.Sc. & M.Sc. students, organized by the Department of Chemistry on Thursday, 20th March 2025 at 1:00 pm.

Your guidance was extremely insightful and thought-provoking. It will be more useful to our students in building their career.

We hope similar co-operation from you in future.

Yours faithfully,

Principal
