On 12th February 2019, group discussion was conducted in the classroom on the topic "Renewable & Non- Renewable energy Resources".

At the beginning of session everybody seemed hesitant in expressing their opinion about but soon the discussion picked up the pace. The aim of this group discussion was to enhance the confidence, communication skills, leadership quality and thinking capacity.

There were two groups in discussion,, First group of B.Sc. III students choose to highlight positive impact of non-renewable energy resources, Second group of M.Sc I & II students highlight positive impact & future scope of renewable energy sources likesolar energy, windmill enegy, Hydrogen fuel, etc.

Points discuss in the favour of the topic were like:

"Different types of renewable & non- renewable energy sources, their positive & negative impact, future spects of renewable enegy resources, International Solar Alliance,etc". This session was conducted by Mrs. D. S. Patil and Mr. U. B. Kambale guided the students regarding energy resources.

Lastly, we tried to draw attention of the students to summarise and conclude the group discussion, highlighting all the important points discussed by the program.

Overall the discussion was positive because each one of us contributed good information and everyone listened with the utmost interest when other members were sharing their ideas. Speaking in the group discussion is gradually bringing everyone in mainstream by boosting their self-confidence.

The group discussion ended with vote of thanks by Mrs. D.S.Patil.
