A Guest Lecture on “Exploring the Research Journey: Tips for Success in B.Sc. and M.Sc. Projects”

Report

Date : 21st February, 2025

A Guest Lecture on “Exploring the Research Journey: Tips for Success in B.Sc. and M.Sc. Projects” was organized by the Department of Chemistry on 21st February, 2025. Prof. (Dr.) D.N. Zambare introduced the programme. The Chief Guest for the inaugural function was Dr. Rohit Powar. The Program was Presided by Principal Dr. Gurunath Fagare. Dr. Sandeep Wategaonkar introduced the resource person. The session was aimed at guiding students pursuing undergraduate and postgraduate degrees, particularly in the fields of science, on how to navigate the complex and rewarding journey of research. The lecture provided a mix of personal experiences, strategies, and practical advice that will benefit students embarking on their own research projects.

Dr. Powar stressed upon the importance of understanding the research process to begin with the project. He focused on some points like Problem identification, Literature review, Methodology Design, Data collection Analysis and conclusion part. Dr. Powar highlighted the importance of ethical considerations in research. Students should always ensure that their research is conducted with integrity. This includes respecting intellectual property rights, ensuring the accuracy of data, and being transparent about methodologies and findings. He encouraged that students must work on their soft skills and communication skills.

Principal Dr. Gurunath Fagare in his Presidential speech stated that students should choose a topic they are genuinely interested in, as this will drive motivation and enthusiasm throughout the research process. Additionally, the topic should be feasible, ensuring there are adequate resources, data, and support available.

Miss. Pooja Jaigude and Miss Akshada Sankpal anchored the program. At last, Dr. Sandeep Wategaonkar offered the vote of thanks. 38 students along with the 11 faculty members attended the program.

Subject: Letter of Appreciation

Respected Sir,

We express our deep sense of gratitude to you for giving your valuable inputs as a Resource Person for One day Workshop on "Exploring the Research Journey : Tips for Success in B.Sc and M.Sc Projects", for B.Sc. & M.Sc. students, organized by the Department of Chemistry on Friday, 21st February 2025 at 10:00 am.

Your guidance was extremely insightful and thought-provoking. It will be more useful to our students in building their career.

We hope similar co-operation from you in future.

Yours faithfully,

Principal
