Date: 15/04/2023

A guest lecture on **"Guidance on Competitive Exams after B.Sc."** was organized by the Department of Chemistry on Saturday, 15th April, 2023 at 10:00 am. The resource person was Mr. Dadasaheb Sondge (Assistant Professor IFAS, Pune). Principal Dr. Gurunath Fagare was the Chairperson. "Keeping the example of Dr. Abdul Kalam in front of eyes, the students of rural areas should face the competitive exams with confidence without any inferiority complex." This assertion was made by Mr. Dadasaheb Sondge. He said, Central Institutes and Central Universities have introduced M.Sc. programme; where compulsory entrance exams are conducted. Therefore it is the need of the hour for students to prepare for these exams- GAT-B, IIT-JAM, CUET (PG) which are required for admission into Central Institutes and Universities for M.Sc. Further he added that, considering the difficulty level of these exams, students from rural areas should prepare for it without any fear.

In the presidential address, Hon. Principal Dr. Gurunath Fagare said, we should choose the right field by examining ourselves and keeping in mind our interest in that subject and we should try in that direction. Mrs. Dipali Patil anchored the program and eventually Miss. Rajashree Bhosale proposed the vote of thanks. In all, 57 students along with the 13 faculty members were present for the lecture.
