**Industrial Visit at Ecogreen Agrosciences Pvt. Ltd., Satara**

Date: 16.04.2025

**REPORT**

The Industrial Visit at Ecogreen Agrosciences Pvt. Ltd., Satara (EAPL) was organized by Department of Chemistry on Wednesday, 16/04/2025 for the students of M.Sc.

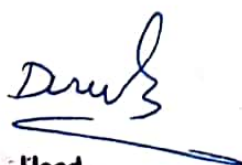

The staff of EAPL gave valuable information about the various instruments used in laboratories such as FID, HPLC, UV-Visible spectrophotometer etc.

**Flame Ionization Detector (FID)** - A Flame Ionization Detector (FID) is a common detector used in gas chromatography (GC) to detect and quantify organic compounds. It works by ionizing organic molecules in a hydrogen-air flame, generating a current that is proportional to the amount of organic compounds present. The current is then amplified and recorded, providing a signal that can be used to identify and quantify the separated components in a sample.

**High-performance Liquid Chromatography (HPLC)** - Formerly referred to as high-pressure liquid chromatography, is a technique in analytical chemistry used to separate, identify, and quantify specific components in mixtures. The mixtures can originate from food, chemicals, pharmaceuticals, which have been dissolved into liquid solutions.

**UV-Vis Spectrophotometer** - A UV-Vis spectrophotometer is an analytical instrument that measures the amount of ultraviolet (UV) and visible light that is absorbed by a sample. It is a widely used technique in chemistry, biochemistry and other fields, to identify and quantify compounds in a variety of samples.

Overall the visit was successful and will be beneficial to our students of M.Sc. Total 48 students in which 29 males and 19 females along with 4 faculty members were participated in Industrial Visit.

**Subject: Permission for Industrial Visit.**

Respected Sir,

We M.Sc students of Department of Chemistry planned to organized Study Tour at Ecogreen Agrosiences Pvt. Ltd., Satara.

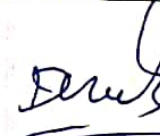

Please grant the permission for the same.

Sub:- Visit to Ecogreen Agrosciences Pvt. Ltd....

Respected Sir,

Our M.Sc. (Chemistry) students are interested to visit the  
Ecogreen Agrosciences Pvt. Ltd. on Wednesday, 16.04.2024 at 10.30  
am. Please grant the Permission.

Thanking you,

Yours faithfully,

Sub- Vote of Thanks.....

Respected Sir,

In continuation of our efforts to impart all possible knowledge to our students, students from M.Sc. our Kisan Veer Mahavidyalaya, Wai with staff visited your Ecogreen Agrosciences Pvt. Ltd., Satara on 16<sup>th</sup> April 2025.

During the visit concern employees of your Ecogreen Agrosciences Pvt. Ltd., provided all the information about the plant operation, Quality Control, Process of manufacturing the Product to the students.

We are very much thankful to you for co-operation extended during the visit. Expecting the same co-operation in future.

Thanking you,

Yours faithfully,

Principal
