INDUSTRY-ACADEMIA INTERACTION

REPORT

Date: 16/02/2024

“Industry-Academia Interaction” was organized by the Department of Chemistry and Placement Cell on 11th January 2024. The Head of the Department of Chemistry, Prof. (Dr.) D. N. Zambare welcomed and introduced the purpose of the interaction. Then Principal Dr.Gurunath Fagare felicitated all the guests by offering a bouquet. The Guest was introduced by Dr.S.B.Wategaonkar.

After the introduction and welcome, Mr. Abhi Patole interacted with the students. He focused on the need for upgradation of skills. He suggested that students should undertake interdisciplinary studies. Further, he said that knowledgeable and skillful people are required for the industry. Mr. Dattatraya Sutar introduced his company. Paranjape Autocast Pvt. Ltd. which is situated in Shirwal. He explained various work in that company like non-engine, ferrous, non-ferrous, and aluminum production and supply.

After the lecture of Mr. Patole and Mr. Sutar, Principal Dr. Fagare said that NEP 2020 will be implemented by 2024 in each institution. So, this kind of industry-academia interaction will be more useful for both the industries and colleges to understand the needs of industries which will also help the students to get job opportunities. The interview was taken by the resource persons. Three students get selected in the interview. For the students who got rejected, The resource persons suggested to focus on communication skills, to improve basic knowledge of chemistry and to be confident. Overall the interaction was fruitful to all students as well as to the industries.

Miss. Akshada Sankpal anchored the program. The interaction ended with a vote of thanks proposed by Mrs. Dipali Patil.
