Instrument Exhibition Report

06th March, 2025

The Department of Physics in association with Science Forum at Kisan Veer Mahavidyalaya, Wai, organized an Instrument Exhibition on 1st March 2025 as part of National Science Week celebrations. The exhibition aimed to provide students with hands-on exposure to various physics instruments, enhancing their practical understanding of scientific concepts.

Total 41 students visited the Physics Department, where they explored a wide range of scientific instruments used in experiments related to mechanics, optics, electricity, magnetism, and modern physics. Faculty members and student volunteers demonstrated the working principles, applications, and significance of these instruments in scientific research and education.

The exhibition received an enthusiastic response, fostering curiosity and deeper engagement with experimental physics. The Department of Physics & Science Forum extends its sincere appreciation to all students, faculty members, and staff for their active participation and support in making this event a success.

NOTICE

Instrument Exhibition

The **Department of Physics** in association with **Science Forum** is pleased to announce that an **Instrument Exhibition** will be organized on:

Date: 1st March 2025

Time: 11:00 a.m. onwards

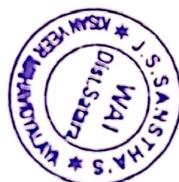

Venue: Physics Department Laboratory

The exhibition aims to provide students with **hands-on exposure** to students.

All students are encouraged to attend and actively participate to enhance their practical knowledge and understanding of physics.
