“Certificate course in Ms-Excel in Statistics”

Course Report 2019-20

From 2003-04 the Department of Statistics conducted 01 certificate course. The title of the course for B.Sc. is “Certificate course in Ms-Excel in Statistics”. Notification and advertisement was made through our college website. The course was started on 16 August 2019. The time-table was displayed on the department’s notice board.

60 students were admitted for the said course. Examination of the said course was conducted along with practical exam of B.Sc. I. Students gained the new knowledge about use of MS-Excel for statistical computation. The supportive staff and the administration of the College and specially Hon. Principal supported a lot.

4. Objectives of the Course

Certificate course in MS-Excel

The simple spreadsheet is one of the most powerful data analysis tools that exists, and it's available to almost anyone. An Excel Expert is a person who collects, organizes, and analyses data. There are various techniques of data analysis, which an excel expert must understand in order to perform efficiently the ability to analyse data is a powerful skill that helps you make better decisions. This course will help to get practical with data analysis. This course is designed to give an introduction to basic spreadsheet tools and formulas so that we know the power of spreadsheets to map the data.
