Celebration of First National Space Day

30th August, 2024

Report

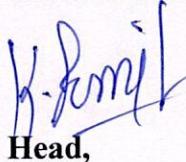

The Department of Physics celebrated the First National Space Day on 23rd August 2024. On that occasion, A special guest lecture was organized at 10:30 a.m. in room no. A2A. The Resource Person was Dr. Heramb P. Gaikwad (Assistant Professor, Lal Bahadur Shastri College, Satara). The theme of the celebration was, "Touching Lives while Touching the Moon: India's Space Saga".

Dr. Gaikwad took the audience on a journey through India's remarkable achievements in space exploration, highlighting key milestones and the pivotal role of the Indian Space Research Organization (ISRO). He delved into the Chandrayaan missions, India's lunar exploration endeavors, explaining their objectives, challenges and success particularly Chandrayaan-2 and its lunar lander Vikram.

Beyond the scientific aspects, Dr. Gaikwad emphasized the broader societal benefits of India's space program, including technological advancements, job creation, and international collaborations. He highlighted the inspiration and pride that space exploration instills in the nation's youth. His expertise and engaging presentation style captivated the audience, fostering a deeper understanding of the scientific concepts and societal implications of space exploration.

Hon. Principal Dr. G. J. Fagare was the chairperson of the function. Introduction to the program was given by Miss N. N. Sawant. Dr. S. D. Korade introduced chief guest. Vote of thanks was proposed by Miss. S. S. Bodare.

All the teaching and non teaching staff contributed to success of the program.

Subject: Permission to Organize Guest Lecture on the occasion of National Space Day

Respected Sir,

Department of Physics Kisan Veer Mahavidyalaya, Wai, would like to request your kind permission to organize a guest lecture on the topic of "Touching Lives while Touching the Moon: India's Space Saga." The lecture will be delivered by Dr. Heramb P. Gaikwad, Assistant Professor, Department of Physics, Lal Bahadur Shastri College, Satara.

The guest lecture is scheduled for Friday, August 30, 2024, at 10:30 AM in room no. A2A. The expected audience will include students from various classes and faculty members.

We believe that this lecture will provide a valuable learning opportunity for our students, allowing them to gain insights into the fascinating field of space science and India's contributions to space exploration.

We kindly request your approval for this event and any necessary logistical support.

Thank you for your consideration.

Subject: Appreciation Letter on Behalf of the Department of Physics.

We express our sincere gratitude for your enlightening lecture on "Touching Lives while Touching the Moon: India's Space Saga" on Friday, August 30, 2024. Your insightful presentation was a source of great inspiration and knowledge for our students and faculty at Kisan Veer Mahavidyalaya, Wai.

Your expertise in space science was evident in your ability to explain complex concepts in a clear and engaging manner. Your passion for the subject was contagious, and it sparked a newfound interest in astronomy and space exploration among our students.

We are particularly grateful sharing your experiences and insights with our students. Your stories of India's space program were both inspiring and informative.

Thank you once again for your valuable contribution to our academic community. We hope to have the opportunity to host you again in the future.

Yours Faithfully,
