Sub.: Organization of National Webinar under Lead College Scheme.....

Respected Sir,

Department of Zoology and IQAC of our college are planning to organize National Webinar on **Agricultural Pests Management**. The resource persons are Professor Dr. Satappa Karbade, Associate Dean, Agriculture College, Nandurbar and Professor Dr. M. V. Santh Kumar, Head Department of Zoology, Shivaji University, Kolhapur.

The proposed date of the webinar is 04/09/2020, at 11.00 am.

You are therefore requested to grant permission to organize the National Webinar Lead College Scheme.

Thanking you,

Faithfully yours

Ravindra V. Bakare

**Report of National Webinar on "Agricultural Pests and Management" Organized by Department of Zoology and IQAC, Kisan Veer Mahavidyalaya, Wai, on Friday, 4<sup>th</sup> September 2020 at 11.00 am under Lead College Scheme**

1. Welcome address was given by Mr. Ravindra V. Bakare, the Convener of the National Webinar and Head, Department of Zoology. He offered warm welcome to Hon. Dr. U. Sreedhar, Principal Scientist & Head, Division of Crop Protection, Central Tobacco Research Institute, ICAR, Rajahmundry, Andhra Pradesh. Hon. Professor Dr. S. B. Kharbade, Associate Dean, College of Agriculture, Nandurbar, Mahatma Phule Krishi Vidhyapeeth, Rahuri Hon. Professor Dr. M. V. Santha Kumar, Head, Department of Zoology, Shivaji University, Kolhapur Hon. Dr. J. S. Chaudhari, Secretary, Janata Shikshan Sanstha, Wai Hon. Dr. E. B. Bhalerao, I/C Principal, Kisan Veer Mahavidyalaya, Wai and all participants. He also narrated about the situations caused due to Covid- 19 pandemic has been causing a lot of havoc to human endeavors all over the world. Classroom teaching, organization of curricular and extracurricular activities at the campus is no longer possible. Thanks to the internet and the online Apps, it has become possible to conduct online classes as well as online organization of webinars. Ours is one such attempt to organize this National Webinar on the most relevant topic causing a lot of damage to crops and Agriculture.
2. Dr. S. R. Sawant introduced Dr. J. S. Choudhaty, Chief Guest, Dr. U. Sreedhar, Keynote speaker; Prof. Dr. S. B. Kharbade and Prof. Dr. M. V. Santhakumar; which were resource persons for the online webinar.
3. Dr. J. S. Choudhary announced the inauguration of the webinar and guided the participants about the importance and use of ICT in education.
4. The inauguration programme was concluded with vote of thanks offered by Mr. S. P. Kamble, Coordinator, IQAC.
5. Prof. Dr. S. B. Kharbade delivered and presented Lecture on Locusts. Locusts are perhaps the close enemy which I feel now may attack in early years. **Locust** swarms are infamous for voraciously feeding on agricultural crops, trees, and other plants. In fact, this feeding can devastate crops and grasses grown for people and livestock, causing famine and starvation in communities that depend on their crops for survival
6. Prof. Dr. M. V. Shanthkumar delivered and presented lecture on Invasive Pests. He discussed in details about destruction and control of pests. He also answered the queries of the participants.
7. Dr. H. D. Kanase, Organizing Secretary of Webinar offered vote of thanks.  
735 participants have registered for the webinar and it was linked to you tube live streaming.

R. V. Bakare  
Head, Department of Zoology
