One-Day Workshop on "GIS: Applications and Employment Opportunities"

25th August 2026

Report

The Department of Geography, Kisan Veer Mahavidyalaya, Wai, organized a One-Day Workshop on "GIS: Applications and Career Opportunities" under the Lead College Scheme on Tuesday, 25th August 2026. The workshop was organized to familiarize students with the concepts, applications, practical uses, and career opportunities associated with Geographical Information System (GIS).

Objectives

- To introduce students to the basic concepts and principles of GIS.
- To explain the practical applications of GIS in various fields.
- To highlight the importance of GIS in geographical research and planning.
- To encourage students to develop practical and technical skills in GIS.
- To create awareness about career and employment opportunities in GIS and geospatial technology.

Brief of the Sessions

Session I – GIS: Applications and Practical Significance

The first technical session was conducted by Mr. Sandip Kolekar, Assistant Professor, Department of Geography, Chh. Shivaji College, Satara. He provided an informative introduction to GIS and explained its basic concepts, components, spatial and attribute data, layers, mapping, and spatial analysis.

He discussed the applications of GIS in various fields such as urban planning, agriculture, environmental management, disaster management, transportation, land-use planning, natural resource management, and regional development. Practical examples were used to help students understand the relevance of GIS in real-world geographical problems.

Session II – GIS Skills, Applications and Career Opportunities

The second session was conducted by Dr. Dhanashree Karale, Assistant Professor, Department of Geography, Kisan Veer Mahavidyalaya, Wai. The session focused on the practical importance of GIS, skill development, and emerging career opportunities in GIS and geospatial technology.

Students were guided regarding the importance of developing skills in digital mapping, GPS, remote sensing, GIS software, spatial analysis, and geospatial data management. The session also highlighted opportunities in government departments, private organizations, research institutions, surveying and mapping agencies, environmental consultancy, urban planning, and other geospatial sectors.

Vote of Thanks

The workshop concluded with a Vote of Thanks proposed by Ms. Manasvi Ozardekar. She expressed sincere gratitude to Mr. Sandip Kolekar for his valuable guidance and informative session and to Dr. Dhanashree Karale for her contribution to the workshop. She also thanked the Principal, faculty members, students, and all those who supported the successful organization of the programme under the Lead College Scheme.

Outcomes of the Workshop

The workshop achieved the following outcomes:

- Students gained a basic and practical understanding of GIS.
- Participants became aware of the applications of GIS in different sectors.
- Students developed awareness about the importance of geospatial skills.
- The workshop provided valuable guidance regarding career and employment opportunities in GIS.
