KISAN VEER MAHAVIDYALAYA, WAI
DEPARTMENT OF GEOGRAPHY
One-Day Workshop on PPT Presentation Using AI
23 July 2024

Report

The Department of Geography organised one-day workshop on "Creating PPT with AI" on 23 July 2024 at Department of Geography (C-8). The event was designed to introduce participants to the latest AI-powered tools and techniques for creating professional and engaging presentations. The workshop attracted students and teachers eager to enhance their presentation skills with AI assistance.

Objectives:

- To familiarize participants with AI-powered tools for PPT creation.
- To enhance creativity and efficiency in designing presentations.
- To provide hands-on experience with AI-driven features.
- To improve the overall effectiveness of presentations using AI.

Session 1: AI-Driven Design and Automation

Expert: Mr. Kiran Shinde

The first session focused on the fundamentals of AI-powered design tools available for creating PPTs. The expert demonstrated how AI can assist in layout selection, colour schemes, content structuring, and automated slide generation. Participants gained insights into software such as Microsoft Designer, Canva AI, and Beautiful.ai, which streamline the presentation process.

Session 2: Enhancing Presentation Impact with AI

Expert: Prof. (Dr.) Vinod Veer

The second session delved into advanced AI features that improve audience engagement. Topics covered included AI-powered speech enhancement, automated script generation, and real-time feedback mechanisms. The expert provided practical demonstrations on how AI can personalize presentations based on audience preferences and data-driven insights.

The workshop concluded with a vote of thanks delivered by Mrs. Manisha Shewale, expressing gratitude to the experts, organizers, and participants. Special appreciation was given to the technical team for ensuring smooth execution and to the attendees for their enthusiastic participation.

The workshop was attended by 36 students in which 18 were male and 18 females. 04 teachers attended the workshop.

Output of the Workshop:

- Participants acquired hands-on experience with AI-driven PPT tools.
- Improved understanding of AI's role in enhancing presentation quality.
- Increased confidence in using AI-powered design and content tools.
- Positive feedback from attendees, indicating interest in future advanced workshops.

The event successfully met its objectives, empowering participants with knowledge and practical skills to create more impactful and professional presentations using AI.
