REPORT

The Departments of Geography celebrated “World Ozone Day” under Lead College Scheme on 19th September 2019 at 11 am.

The specific objectives of the programme are as follows:

1. To create awareness about present environmental scenario.
2. To create awareness about factors responsible for ozone depletion.
3. To understand impacts of ozone depletion.
4. To explain the role of students in environment protection in general and ozone layer protection in particular.
5. To create awareness about environment through models, posters & slogans.

The program started with “Environmental Oath” read by Miss. Dhumal Rupali, a student of Department of Geography.

The present activity was divided into two sessions. The first session was conducted by Dr. J. V. Kathre, the Chairman of Lead College Scheme. He inaugurated “Student Council of Geography Department 2019-20” and appealed all students to preserve environment. In the second session, Mr. R. V. Bakare, Associate Professor, Department of Zoology made inauguration of the **Exhibition cum Competition of Environmental Model Building, Slogans, and Poster Presentation**. He delivered an expert talk on “Ozone Depletion: its causes, impact on living organism and role of youth in its prevention”. The exhibition was open for all students for the next three days i.e on 19th, 20th & 21st September 2019.

Nineteen students of B. A. I, II, & III were participated in **Exhibition cum Competition of Environmental Model Building, Slogans, and Poster Presentation** in which first three rankers were given prizes and fourth and fifth rank holders were awarded consolation prizes.

Dr. V. R. Veer was the Chairman of the program. Dr. K. N. Sontakke, Coordinator introduced the details of the activity. Miss Triveni Mandhare, gave introduction of the Chief Guest. Mr. Suyog Mahadik did the anchoring of the activity. Mr. Yogesh Hingmere proposed the Vote of Thanks. **The workshop was attended by 74 students in which 27 were male and 47 female. Similarly, 8 teachers attended the workshop.**
