Poster Presentation Competition

Report

Kisan Veer Mahavidyalaya, Wai Department of Botany organized poster- presentation Competition for third year students of B.Sc on **28th Feb, 2023** on the occasion of National Science Day. The main objective of the competition was Promoting interest in Science and Technology among younger generation.

Science exhibition provides a platform for the students and teachers where they can learn from each other's experiences and get motivated to design and develop something new and innovative. The main purpose of the science fairs is to encourage the students to take a more active interest in the study of science and conduct and present their independent scientific inquiries and innovations publicly.

The event started with inauguration by the Chief Guest the programme Hon. Prin. Dr. G. J. Fagare at 10 AM. He also guided student regarding to development of various skill which are essential in our future life. In this exhibition, the participating teams shared their creative ideas and solution to everyday challenges through their innovative posters.

Poster Presentation Competitions were organized on the basis of several themes like Role of Science in Smart Agriculture, Importance of Millets, Impact of Medicinal Plants in Agriculture, Food security in agriculture and Transfer of Science and Technology. In competition total 15 students have been participated.

All teachers, nonteaching staff of office visited to competition and enjoyed the program. So that all the students' feel very happy. Teaching and Non-teaching staff of department shouldered the responsibility to make this event successful.
