Report

A Quiz Competition was organized on occasion of Geography Day on 28 January 2025 at Smart Classroom (C-13). The event aimed to test and enhance students' knowledge of geographical concepts, current affairs, and global issues related to geography. The competition was conducted among different student groups, fostering teamwork, critical thinking, and enthusiasm for the subject.

Aims and Objectives:

- To encourage students to expand their knowledge of geography.
- To promote healthy competition and teamwork among participants.
- To create an engaging and interactive learning environment.
- To celebrate Geography Day by making learning fun and rewarding.

Brief Review of Quiz Rounds: The quiz competition comprised multiple rounds covering different aspects of geography:

- **Round 1: General Geography Knowledge** – Questions based on physical and human geography, capitals, rivers, and mountains.
- **Round 2: Identification of Landforms** – On the basis of acting of the students.
- **Round 3: Identification of Song** – Identifying songs based on picture of geographical landform.
- **Round 4: Current Geographical Issues** – Covering topics like climate change, natural
- **Rapid-Fire Round:** – A high-speed round where teams answered questions under time constraints.

Examiner: The competition was judged by Prof. (Dr.) Vinod Veer, Head, Department of Geography. The examiner ensured fair evaluation and encouraged students throughout the event.

Result: The winners of the quiz competition were announced based on their scores:

- **First Prize:** 'Nature Protector Team' for scoring the highest points.
- **Second Prize:** 'Motherland Team' for excellent performance.
- **Third Prize:** 'Geography Lovers Team' for commendable efforts.

A total of 40 students participated in the competition, comprising 14 males and 26 females.

Output of the Competition:

- Increased awareness and interest in geography among students.
- Enhanced teamwork and problem-solving skills.
- Encouraged a spirit of learning through competition.
- Positive feedback from participants and faculty, with a request for more such interactive events in the future.

The event successfully achieved its objective of making Geography Day an educational and exciting experience for students.
