Department of Mathematics  
National Science Day Celebration -2026

**Report**

Department of Mathematics in association with the science forum successfully organized poster presentation on 28<sup>th</sup> February 2026 as part of National Science Day celebration. The program was organized to commemorate the discovery of the Raman Effect by Sir C. V. Raman and to promote scientific awareness among students. The event began with the inauguration ceremony, where the principal and respected faculty members addressed the gathering. They highlighted the importance of science in daily life and encouraged students to develop a scientific temper and curiosity for innovation. There were 22 students (Male-4, Female-18), Teaching staff - 3(Male-1, Female-2) and 1 non-teaching staff present for the program.

One of the major highlights of the celebration was the Poster Presentation Competition, where students showcased their creativity and scientific knowledge through innovative posters on various themes related to science and technology. There were 22 (Male-4, Female-18) students participated enthusiastically in the competition. and innovations. Mrs. Payal S. Ghorpade, Sharadchandra Pawar Mahavidyalaya, Lonand and Dr. Rajpure Manoj Mahadev (Ph.D.) Postdoctoral Researcher, Pusan National University, Busan, (South Korea) were judges for the poster presentation. They evaluated posters based on clarity, creativity, content, and presentation skills.

Winners of Poster Presentation Competition:

- 🏆 1st Prize: Mr. Om Kadam
- 🏆 2nd Prize: Miss Shreya Dhekane
- 🏆 3rd Prize: Miss Siddhi Jadhav

All participants were appreciated for their efforts, and winners were awarded certificates and prizes. The celebration of National Science Day proved to be an inspiring and educational experience for everyone involved.

The event successfully enhanced awareness about the importance of science and encouraged students to think critically and creatively. It also motivated them to contribute to scientific advancements in the future.

To,

The Principal,

Kisan Veer Mahavidyalaya, Wai

Subject: Permission to Organize National Science Day Program in college

Respected Sir,

I respectfully request permission to organize a program on the occasion of National Science Day on **28<sup>th</sup> February** by the Mathematics Department. This day is celebrated to mark the discovery of the **Raman Effect by Sir C. V. Raman** and to promote scientific awareness among students. We plan to conduct activity such as poster presentation The program will help students develop scientific thinking and interest in mathematics and science. Kindly grant permission to organize this program and allow us to use the required facilities in the college.

Thanking you.

Yours Faithfully

Principal  
Kisan Veer Mahavidyalaya, Wai

**NOTICE**

**National Science Day Celebration -2026**

Date: 24/02/2026

The Departments of Mathematics in association with the Science Forum are pleased to announce the celebration of National Science Day on the occasion of 28<sup>th</sup> February 2026.

- Date: 28th February 2026
- Time: 11:00 AM onwards.
- Venue: College Campus

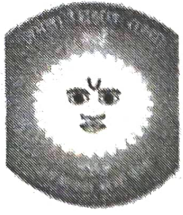

As part of the celebration, the department of mathematics will be organized Poster Presentation Competition - Theme: Scientific Innovations & Inventions / Any Scientific Concept

**Rules & Guidelines:**

1. Participation is open to all UG/PG students of the college.
2. Posters should be prepared on chart paper (A1 size).
3. Content must be original and presented in the participant's own words.
4. Participants must be ready to explain their poster before the judges.
5. Judging Criteria: Clarity, Creativity, Content, and Presentation Skills.

All students are encouraged to actively participate and make this celebration meaningful by showcasing their scientific ideas and talents. The attractive prizes and certificates will be awarded to the winners.

National Science Day 2025-26

Date :- 28<sup>th</sup> February, 2026

Poster Presentation Attendance sheet

Sr. No.	Name of Student	Gender	Class	Topic	Signature
1.	Wadkar Aditya	Male	BSC-II	Application of Cryptography 5 its types	<del>Aditya</del>
2.	Dere Santhak	Male	BSC-II	The Speed of light	Dere
3.	Pawar Somnath	Male	BSC-II	India on the moon	<del>Pawar</del>
4.	Jadhav Siddhi	Female	BSC-II	Quantum Computing	Jadhav
5.	Poanali Sapkal	Female	B.Sc. I	Sonic Boom	<del>Sapkal</del>
6.	Mrunali Dhanawade	Female	B.Sc-III	Application of Statistics	<del>Mrunali</del>
7.	Atanksha Nikam	Female	BSC-II	Quantum entanglement	Atanksha
8.	Sakshi Gole	Female	B.Sc-III	Prediction of Jaspri bunrabi's auction price IPL using statistical technique.	Sakshi Gole
9.	Ruchita Nikam	Female	B.Sc III	— II —	RR.Nikam.
10.	Rutuja Sapkal	Female	B.sc-III	Chemistry in every day's life	Rutuja
11.	Siddhi Dhadhe	Female	B.Sc III	About PI & applica <sup>n</sup>	<del>Siddhi</del>
12.	Saniya. A. Shaikh	Female	B:scIII	Chemistry in every day life	Saniya
13.	shreya Dhekane	Female	Bsc.III	Innovative Dual functional monomers bioplastic	S.A.Dhekane
14.	Jadhav Shrawani A.	Female	BSC III	phenytoin	Jadhav
