Guest Lecture

Solar and Lunar Eclipse: Conception-Misconception

Dt.- 08.11.2022

On the occasion of **Total Lunar Eclipse**, the **Physics Department** and **Science Forum** of the college had organized a guest lecture under **Lead College Scheme** entitled "**Solar and Lunar Eclipse: Conception-Misconception**". Resource person for the lecture was **Dr. Heramb Gaikwad**, Assistant Professor of Physics of **Kisan Veer Mahavidyalaya, Wai**.

Prin. Dr. Gurunath Fagare was the Chairperson of the inaugural ceremony and had been felicitated by **Dr. H. D. Kanase**, Coordinator, Science Forum and HOD Physics. **Prof. Ganesh Babar** felicitated **Dr. H. D. Kanase** and **Prof. B. B. Patkure**, Coordinator Lead College Scheme. Resource Person **Dr. Heramb Gaikwad** had been felicitated by **Prin. Dr. Gurunath Fagare**.

In the presidential speech, **Prin. Dr. Gurunath Fagare** guided students scientifically. He shared his views on misconceptions during eclipses along with his own experiences.

In this lecture, **Dr. Heramb Gaikwad** visualized the geometry of Sun, Earth and Moon's positions during eclipse with power point presentation. In addition, he guided students scientifically on observation of the eclipses. He also guided the students on misconceptions like not to come out of the house during eclipse, not to cut vegetables and to sit in a particular position especially for pregnant women, etc. of eclipse.

Prof. Ganesh Babar proposed vote of thanks and anchoring was done by **Prof. Komal Pisal** and **Prof. Priyanka Chavan**. **Prof. Aniket Bhosale**, **Prof. Rahul Tayade** and **Prof. Mahendra Bhujbal** have worked as an organizing members. One Hundred Two students of different classes and Seventeen faculties were present for the lecture.

Subject: - Regarding permission for Sky Observation and Informative lecture of
Lunar Eclipse...

Respected Sir,

There is an Astronomical Event named Lunar Eclipse is happening on Tuesday, 8th November, 2022.

Keeping this in mind **Science Forum** and **Department of Physics** are planning to organize an informative lecture for students entitled "**Solar and Lunar Eclipse: Conception-misconception**" on **Monday, 7th November 2022** under **Lead College Scheme of Shivaji University**. In addition, Dept. planning to organize the observation of the **Lunar Eclipse with Telescope** (the Sky observation is subject to the weather condition) for students and faculties of KVM on **Tuesday, 8th November 2022**.

These activities (lecture & Sky observation) will definitely succeed in removing the misconceptions of students, and make them curious to the scientific phenomenon happening in the universe. In this way, we can have one step towards the emerging **National Education Policy- 2020** through participative learning.

Herewith I am requesting you to give us permission to conduct both the events.

Kindly do the needful.

Thanking you in anticipation.
