Guest Lecture Report

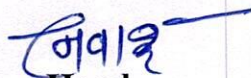

Guest Lecture of Shri. Sujit A. Kadam, Research Scholar, National Dong Hwa University, Taiwan was organized by our Department on Tuesday, 4th February 2020. Subject of this Lecture was, "Research opportunities after Physics". The lecture was arranged for B.Sc. Part III and B.Sc. Part II students in Lab No. B23.

During his lecture he introduced to the student regarding research opportunities in subject physics after graduation and post graduation. They came to know the different ways of admission for M.Sc. in central universities as well as in foreign universities. During his talk he also explained that many universities abroad are waiting for brilliant students to take admissions for research career. He also said that many research institutes abroad can take you as fresh researcher in newly developing research projects. He suggested the students that to get more accurate information about Indian research institutes and same type of Institute in India & abroad. Students must have a definite plan for research career.

Thus, students developed awareness among themselves about research opportunities after physics. They got awarded of the ways of admissions for research abroad. It will help them to develop their research career after physics.

Hon. I/C Principal Dr. I. F. Pailwan was the chairperson of the function. Introduction to the program was done by Shri. H. T. Lokhande. Shri. N. B. Chavan Associate Professor & Head Department of physics introduced chief guest. Vote of thanks was proposed by Shri. G. S. Babar.

All the teaching and non teaching staff contributed to success of the program.

NOTICE

Guest Lecture on "Research Opportunities After Physics"

The Department of Physics is pleased to announce an upcoming guest lecture by **Shri. Sujit A. Kadam**, Research Scholar at National Dong Hwa University, Taiwan. The lecture will focus on the diverse research opportunities available to physics graduates and postgraduates.

Date: Tuesday, February 4th, 2020 **Time:** 10 AM **Venue:** Lab No. B23

Key Topics:

- ✓ Avenues for pursuing M.Sc. in physics in India and abroad
- ✓ Research careers in foreign universities and institutes
- ✓ Finding accurate information about research opportunities
- ✓ Developing a clear plan for a research career in physics

Target Audience:

This lecture is specifically tailored for B.Sc. Part III and B.Sc. Part II students.

Don't miss this valuable opportunity to gain insights into the exciting world of research in physics!

A handwritten signature in blue ink, appearing to be "Gadgil".

Subject: Appreciation for Guest Lecture on "Research Opportunities after Physics"

Dear Sir,

We are writing to express our sincere appreciation for your willingness to deliver a guest lecture on "Research Opportunities after Physics" to our B.Sc. Part III and B.Sc. Part II Physics students on Tuesday, February 4th, 2020, at 10:00 AM.

Your insightful and informative lecture was highly engaging and provided valuable insights into the exciting world of research opportunities in physics. We believe your presentation has significantly energized our students' interest in pursuing further studies in this field.

We are grateful for your contribution to our students' academic development and hope for future collaborations.

Thank you once again for your time and expertise.

Yours faithfully,

Principal

Subject: Invitation to Deliver Guest Lecture on "Research Opportunities after Physics"

Dear Sir,

We are writing to invite you to deliver a guest lecture on the topic of "Research Opportunities after Physics" for the benefit of our B.Sc. Part III and B.Sc. Part II Physics students.

The lecture is scheduled for:

- **Day & Date:** Tuesday, February 4, 2020
- **Time:** 10:00 AM

We would be honoured if you could accept this invitation. Please confirm your consent by replying to this email or sending it to oskvmwai@rediffmail.com.

Thank you for your time and consideration.
