A Report on "Swachhata Abhiyan" at Sonjaidevi Temple

25th September 2025

Report

Introduction

The Department of Geography, Kisan Veer Mahavidyalaya, Wai organized a "Swachhata Abhiyan" on 25th September 2026 with the objective of promoting cleanliness and environmental awareness among students. The activity was conducted on the occasion of Navratri, emphasizing that cleanliness is not only the responsibility of the government but also of every individual in society. The abhiyan was carried out at the historic Sonjaidevi Temple located near Wai city.

Objectives

- To create awareness about cleanliness and environmental conservation.
- To encourage students to take social responsibility.
- To promote community participation in maintaining clean surroundings.
- To highlight the importance of preserving historical and geographical sites.
- To develop a sense of discipline and teamwork among students.

Brief of the Activity

Session 1: Visit and Inauguration

The program began at 10:30 a.m. with students and faculty trekking the hill located behind the college to reach the Sonjaidevi Temple. After offering prayers (Darshan), the cleanliness drive was formally inaugurated.

The activity was conducted under the valuable guidance of Prof. Dr. Vinod Veer, Head of the Department of Geography. The abhiyan was led by Prof. Tanaji Hake.

Session 2: Cleanliness Drive

Students actively participated in cleaning the temple. They collected plastic bottles and other waste materials, contributing to maintaining the cleanliness of the area. Along with Geography students, trainees from the Police Recruitment Training Center also participated in the abhiyan. Special support was provided by trainer Vishal Mahangade, which added strength to the initiative.

Session 3: Educational Interaction

An informative session was conducted at the site where students were given insights into the historical importance and geographical features of the Sonjaidevi Temple. This session was conducted by Prof. Manisha Shewale and Prof. Dhanashree Karale, enriching students' knowledge beyond classroom learning.

A total of 40 students and 3 faculty members participated in the activity, showing enthusiasm and commitment toward social responsibility.

Vote of Thanks

The program concluded with appreciation for all participants and organizers. The success of the program was made possible due to the efforts of Prof. Tanaji Hake, Prof. Manisha Shewale, Prof. Dhanashree Karale, and Prof. Swapnil Kadam. Principal Dr. Gurunath Fagare and all faculty members appreciated the students for their active participation and contribution.

Outcome of the Activity

- Increased awareness about cleanliness and environmental responsibility.
- Developed a sense of social commitment among students.
- Enhanced teamwork and leadership skills.
- Promoted preservation of historical and geographical sites.
- Encouraged active participation in community service.
- Strengthened practical understanding of geography through field activity.
