Training on Fire Safety
2024-25

REPORT

Date: 04/09/2024

The Training programme on Fire Safety was organized by the Department of Chemistry on 3rd September, 2024. The Department of Chemistry is well known as a research centre. As the department has various hazardous chemicals in the lab, it is utmost necessary to make alert the students, teachers and staff on fire safety, a training programme on fire safety was conducted. Mr. Aditya Kadam (Pune Municipal Fire Brigade) was present as an Expert Trainer for the training. He trained the staff and students of the college on how to use fire extinguishers in case of emergency along with a demonstration. The workshop was presided over by the Principal of the college, Dr. Gurunath Fagare. The IQAC Coordinator Dr. Shivaji Kamble and the HoD Prof. (Dr.) D. N. Zambare were prominently present for this workshop.

While giving information about the fire extinguisher, Mr. Kadam explained how to take care in case of an explosive accident. Since this device contains carbon dioxide and dry chemical powder, when it is hit on the fire, the fire goes off immediately; that can avoid any untoward incident. He also explained the meaning of the symbols on fire extinguishers and household gas cylinders. He further uttered that the fire department is not only limited to extinguishing the fire, but also saves lives of people, animals and birds.

In the Presidential speech, Principal Dr. Fagare said, since there are many explosive chemicals in the laboratory, students should always be alert from fire. He urged that this training conducted by the Department of Chemistry is not only useful for the students in the college but in the home also. Therefore this training will be beneficial to all for laboratory as well as for domestic flammable appliances.

In the introduction of the program, Prof. (Dr.) Zambare explained the purpose of this workshop and gave detailed information about many explosive chemicals in the

college laboratory. Dr. Sandeep Wategaonkar introduced the guests and vote of thanks was proposed by Mrs. Dipali Patil.

In this programme, the Instagram and YouTube channel of the Department of Chemistry was activated by auspicious hands of Principal Dr. Gurunath Fagare. Channel Operators Mr. Ajit Pandhare, Miss. Swamini Pawar & Miss. Sanika Chikane was felicitated for the same.

All the faculty and staff of the Department of Chemistry worked hard for the success of the workshop. Teaching and Non-Teaching Staff and 42 students have attended the workshop.

Subject: Invitation as Resource Person

Respected Sir,

It gives us immense pleasure to invite you as a resource person talk on fire safety in "Training on Fire Safety" for B.Sc., M.Sc. students and the non-teaching staff organized by the Department of Chemistry. The programme is scheduled on 3rd September, 2024 at 10:30 am. Kindly accept our invitation and deliver the lecture.

Thanking You,

Yours faithfully,

Principal

Subject: Letter of Appreciation

Respected Sir,

We express our deep sense of gratitude to you for giving your valuable inputs as a Resource Person for "Training on Fire Safety" for B.Sc., M.Sc. students and non-teaching staff organized by the Department of Chemistry on 3rd September, 2024 at 10:30 am.

Your guidance was extremely insightful and thought-provoking. It will be more useful to our students in maintaining safety in the lab as well as in their daily life. We hope similar co-operation from you in future.

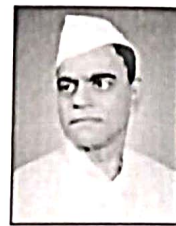

Yours faithfully,

Principal
