Celebration of
“World Ozone Day-2022”
Report

The world ozone day for the preservation of the ozone layer celebrated every year on 16th September. The main motivation of celebration of the day is to highlight the importance of the ozone layer and raise awareness among the people about the need to protect the ozone. It also brings focus towards finding more efficient measures for the same.

With this motivation Department of Physics in coordination with NCC unit of the college had planned to spread the awareness of the ozone prevention among the students of the college as well as citizens of Wai. For this purpose, organizers arranged “**An Ozone Depletion Awareness Rally**” on Thursday, 15th September 2022 from college to nodal areas of Wai City. The proclamation of the slogan was done by the students during rally along with banners and flexes. Students have distributed the ozone depletion awareness pamphlets among the Citizens. In addition to this, Department of physics had organized online “**Ozone Awareness Online Quiz Competition**” on Friday 16th September 2022 for college students as well as it was open to all, and every participant was awarded with certificate of appreciation.

In the inauguration function of the program, Dr. Heramb Gaikwad of Physics Department stated preface of the program. Prof. Dr. D. N. Zambre Vice-Principal Science Stream stated importance of prevention of Ozone layer through his speech. Hon. Prin. (Dr.) G. J. Fagare stated importance and precaution to prevent Ozone layer in his presidential speech and inaugurated the rally. Prof. G. S. Babar had given the important instructions to the students for better organization of the rally. For inaugural program Hon. Prin. (Dr.) G. J. Fagare, Prof. D. N. Zambre and Prof. G. S. Babar was on the dice.

Prof. P. S. Chavan had done anchoring of the program and Prof. K. D. Pisal stated the vote of thanks. Prof. A. D. Bhosale, Prof. M. V. Bhujbal, and Prof. R. R. Tayade have actively participated in the rally for better organization.

About 100 students have participated in the rally and 123 students have participated in quiz competition.

NOTICE

World Ozone Day Awareness Activities

Date: September 15th & 16th, 2022

The Department of Physics, in coordination with the NCC unit, is organizing the following events to commemorate World Ozone Day and raise awareness about the importance of protecting the ozone layer:

1. An Ozone Depletion Awareness Rally:

- Date: Thursday, September 15th, 2022
- Time: 10 AM
- Route: From college to key areas within Wai City
- Participation: All students are encouraged to participate by chanting slogans, carrying banners, and distributing pamphlets.

2. Ozone Awareness Online Quiz Competition:

- Date: Friday, September 16th, 2022
- Time: 11 AM
- Platform: Online (details to be announced)
- Eligibility: Open to all college students and the general public
- Prizes: Certificates of appreciation for all participants

We encourage all students to actively participate in these events and contribute to spreading awareness about the crucial need to protect the ozone layer.

Subject: Permission Request for World Ozone Day Awareness Activities

Dear Sir,

I am writing to request your permission for the Department of Physics, in coordination with the NCC unit of the college, to conduct awareness activities on the occasion of World Ozone Day, which is celebrated annually on September 16th. The primary goal of these activities is to highlight the critical importance of the ozone layer and to raise awareness among both our students and the wider community in Wai about the urgent need to protect it.

To achieve this, we have planned the following events:

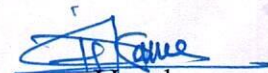

1. **"An Ozone Depletion Awareness Rally"**: This rally will take place on Thursday, September 15th, 2022, starting from the college and proceeding to key areas within Wai City. Students will actively participate by chanting slogans, carrying banners and flexes, and distributing informative pamphlets about ozone depletion to the public.
2. **"Ozone Awareness Online Quiz Competition"**: On Friday, September 16th, 2022, we will host an online quiz competition open to all college students and the general public. This interactive event will further educate participants about the ozone layer and its significance. All participants will receive certificates of appreciation.

We believe that these activities will significantly contribute to raising awareness about the importance of the ozone layer and promoting active participation in its preservation. We have secured the support of Dr. Heramb Gaikwad from the Physics Department, and we are confident that with your approval, we can successfully execute these impactful events.

We kindly request your permission to proceed with these World Ozone Day awareness initiatives. Your support would be invaluable in making this a success.

Thank you for your time and consideration. We eagerly await your positive response.
