Department of Psychology

Guest Lecture

Application of Psychology 2022-23

Date- 13th October 2022 Venue- Department of Psychology Title-Lecture on Application of Psychology Resource Person: - Dr. Anil Vrtak

Report

The workshop titled "Application of Psychology" held on 13th October 2022 at the Department of Psychology aimed to provide insights into the diverse career paths available in the field of psychology. Dr. Anil Vrtak, a renowned expert in the field, delivered an informative session highlighting various career opportunities and pathways within psychology.

Dr. Anil Vrtak discussed several key aspects during the lecture: Overview of different specializations within psychology such as clinical, counselling, industrial-organizational, and educational psychology.

Also he discussed about Importance of acquiring relevant qualifications and skills for different career paths and Opportunities in research, academia, clinical practice, and consultancy roles. Practical advice on career planning and development in the field of psychology.

The workshop successfully achieved its objective of enhancing awareness among attendees about the vast range of career opportunities available in psychology. Participants gained valuable insights into the educational requirements, job prospects, and growth potential within various domains of psychology.

Out Come of Programme

The programme successfully increased awareness and knowledge about diverse career paths in psychology among students and teachers. Dr. Anil Vrtak's insights clarified career options, inspired participants, and garnered positive feedback, motivating future educational initiatives in the Department of Psychology.

Overall, the workshop served as a valuable platform for students and teachers to interact with an expert in the field and gain clarity on potential career paths in psychology. The Department of Psychology intends to organize more such sessions to further educate and inspire students interested in pursuing careers in psychology.
