### Guest Lecture on 'Journey Towards Data Scientist' Report

The Guest Lecture of Mr. Ganesh Dhanawade was organized on 24/01/2023 for B.Sc part I and III students. There were 20 students present for the lecture. Mr. B.B.Patkure, Head Department of Statistics introduced the theme of the program. A brief introduction to the speaker was given by Dr. R. H. Waliv.

The first part of Mr. Ganesh Dhanawade's presentation focused on his transition from a student to Assistant Professor at Kisan Veer Mahavidyalaya, Wai then to a Data Scientist. He discussed with the students his experiences doing various kinds of interviews. Additionally, he advised pupils to set goals and strive toward them if they want to succeed. He also underlined that in addition to employment satisfaction, students should consider package deals. He gave a brief overview of some of the most modern software training programs, which are increasingly being adopted by businesses.

Dr. Gurnath J. Fagare delivered the presidential address, emphasizing the importance of communication skills in the life and career. Each student must establish his own goals and aspirations when looking for employment prospects. In addition, he highlighted that failure is just the first step on the road to achievement, not the end of the careers. He used himself as an example, saying that when taking B.Com.II Statistics, he failed exam, but he passed the subsequent exam scoring 100% marks. The varied knowledge and abilities needed to be employable should be made clear to students, he said.

A Vote of Thanks was proposed by Miss. A. S. Gaikwad.
