PARTICIPATION:

Two Students each from B.Sc. II and B.Sc. III Statistics class of the college can participate in the oral Quiz Competition. The names of the participating students should be send to **Prof. T. B. Adsul, Head, Dept. of Statistics, Lal Bhadur Shastri College of Arts, Commerce and Science, Satara, on or before 15th Jan., 2020**. There will not be any entry fees to the participating students and teachers. For further clarifications contact **Prof. T. B. Adsul, Mob. 9975725499** (email: tba_stats@rediffmail.com) or **Dr. P. Y. Patil, Mob. 9420330039, 7588421492** (email: pypatil_stats@rediffmail.com).

In total there shall be three rounds for the competition –

- 1) Group Discussion Round,
- 2) Situation Analysis Round,
- 3) Statistical Quiz Round.

First two rounds will be conducted simultaneously by forming the various groups of students. Based on their performances in these two rounds a team of 12 students will be selected to participate in the 3rd Round. The details of these rounds are as follows.

I) GROUP DISCUSSION ROUND:

Students are expected to prepare for the topics given below. For a particular group a topic will be selected at random. Every student will be given maximum 5 minutes to present his/her views and then group discussion for 20 minutes. It is expected that he/she should communicate in English.

Proposed topics for Group Discussion:

- 1) Women's Safety in India.
- 2) Social Media: Curse or Boon.
- 3) Digitalization and Indian Economy.
- 4) Machinery for Disaster Management in India.

II) SITUATION ANALYSIS ROUND:

To assess and promote the analytical thinking capability of a student "a situation" will be described and about two minutes of time will be given. A student is expected to think about various possible ways of analyzing it by using simple statistical techniques and propose the best possible solution.

III) STATISTICAL QUIZ:

Twelve participants (six from B. Sc. –II and six from B. Sc. –III) will be selected based on their performance in the first two rounds. All students and teachers can attend this round. There will be three small rounds.

i) **Quick Answer Round:** Quick responding / analyzing capability of a student will be tested. Brief and to the point answers are expected.

ii) **Visual Round:** Photographs of well-known Statisticians or Famous Personalities or current affairs and graphical presentation of data will be shown on the screen. A student has to answer the related questions within the given time.

iii) **Rapid Round:** Objective type or true / false type questions will be asked. These questions would include questions on General Knowledge, Basic Science, Current affairs and Statistics.

We expect very active participation by the students and the concerned teachers to make this event a grand success.

Thanking You,

Yours faithfully,

(Dr. P. Y. Patil)
