Subject: - Regarding permission for Sky Observation and Informative lecture of
Lunar Eclipse...

Respected Sir,

There is an Astronomical Event named Lunar Eclipse is happening on Tuesday, 8th
November, 2022.

Keeping this in mind **Science Forum** and **Department of Physics** are planning to
organize an informative lecture for students entitled "**Solar and Lunar Eclipse:
Conception-misconception**" on **Monday, 7th November 2022** under **Lead College
Scheme of Shivaji University**. In addition, Dept. planning to organize the observation of
the **Lunar Eclipse with Telescope** (the Sky observation is subject to the weather
condition) for students and faculties of KVM on **Tuesday, 8th November 2022**.

These activities (lecture & Sky observation) will definitely succeed in removing the
misconceptions of students, and make them curious to the scientific phenomenon
happening in the universe. In this way, we can have one step towards the emerging
National Education Policy- 2020 through participative learning.

Herewith I am requesting you to give us permission to conduct both the events.

Kindly do the needful.
