Action Taken Report on Feedback 2018-19

Sr. No.	Suggestions	Action Taken
1	Visits to industries, laboratories, banks and any other Colleges/universities.	IQAC had suggested to the departments that to organize more industries, laboratories, banks and any other Colleges/universities and encourage the students to participate in such activities.
2	Canteen and Hostel facility.	The physical facilities like canteen, hostel and library etc. had improved with modern amenities.
3	Increase use of IT skills and Soft Skills in the Teaching Learning Process.	The IQAC advice to all teachers to increase the use of ICT tools while teaching.
4	Opportunities to develop employability and entrepreneurship skills should be enhanced.	Certificate courses were introduced for development of soft skills, life skills and employability skills.
5	Lecture Method is only used for teaching.	IQAC had advised in the staff meeting that with the lecture method, teacher should adopt various teaching methods like experiential learning, participative learning, problem solving methodologies etc.
6	Students are partially satisfied with academic support facilities.	IQAC had suggested to the management that the support service facilities should be enrich with modern tools and technologies.
