Action Taken Report on Feedback 2019-20

The Internal Quality Assurance Cell collected, analyzed the online feedback forms of the academic year 2019-20. By considering the suggestions from the stakeholder the following action was taken by the institution.

Sr. No.	Suggestions	Action Taken
1	The participation of the students in extra-curricular activities must be increased.	IQAC had suggested to the departments that to organize more extra-curricular activities such as poster presentations, competitions, celebration of subject days etc. and encourage the students to participate in such activities.
2	Availability prescribed reading materials.	The librarian was advised to increase the copies of reference books and also make available to students the e-books copies of Curriculum. The library advisory committee should take initiatives to promote the use of website of the library and android application viz.KVM Library.
3	Availability of Internet facility	IQAC had suggested to the management to increase the band width of internet and wifi facilities.
4	To some extent, students got opportunity for personal interaction with the teacher	IQAC had suggested to all the teacher to interact with each and every student about their educational difficulties.
5	Most of the students wants to add the values regarding Nationality, environment awareness and social responsibility in the syllabus	The BOS members should consider this issue and do the needful.
