REPORT OF ONLINE NATIONAL WEBINAR IN BOTANY

Department of Botany, Kisan Veer Mahavidyalaya in collaboration with Internal Quality Assurance Cell organized an online national Webinar on "Biodiversity and Biotechnological interventions" on 20th August 2020 at 10.00 AM. on Zoom Platform. The eminent speakers **Mr. Shekhar Abasaheb Mohite**, Head, Department of Botany LBS College Satara and **Dr. Jaykumar Chavan**, Head, Dept. of Biotechnology and Assistant Professor in Botany, Yashwantrao Chavan Institute of Science (Autonomous), Satara were invited to deliver expert talk in the Webinar.

Dr. R.R. Vaidya welcomed all the dignitaries, expert speakers and the participants for the online National webinar and made an introductory speech. He also introduced the Chief Guest, Hon. Dr. Jaywantrao Chaudhari, Secretary, Janata Shikshan Sanstha, Wai and Chairperson, Dr. E. B. Bhalerao, I/C Principal, Kisan Veer Mahavidyalaya, Wai.

As a chief guest, Dr. Jaywantrao Chaudhari addressed the participants and expressed good wishes for the successful conduct of the webinar. I/C Principal Dr. Bhalerao in his presidential address mentioned the importance of Western Ghats and the need for conservation of Biodiversity at "Kaas Plateau" which is world famous as "World Natural Heritage Site". He expected fruitful discussion and deliberation to come out from the webinar which will guide the young researchers, students and teachers in future.

Mr. Shekhar Mohite delivered a lecture on "World Natural Heritage site – KAAS PLATEAU". The lateritic soil and the microclimate of kaas plateau has boosted the emergence of high bio KAAS PLATEAU diversity. He pointed out that the interference of visitors and overcrowding is a serious threat to the biodiversity of flowering plants in the region.

Dr. Jaykumar Chavan delivered a lecture on “Biotechnological interventions towards biodiversity conservation”. He stated the role of biotechnological tools as tissue culture technique, in-situ and ex-situ practices for conservation of rare, endangered and threatened plants. He also mentioned the need for education of masses regarding the importance of these plants in nature.

The National Webinar was attended on zoom platform and also by live streaming on YouTube. A good response was received from 218 participants over 100 colleges in various districts of Maharashtra, Karnataka, West Bengal, Uttar Pradesh, Tamil Nadu, Madya Pradesh, Haryana, Chandigarh and Udaipur etc. There was a panel discussion session on both the lectures and it was precisely answered by the speakers to participant’s satisfaction. The staff of our college along with Vice-Principal Mr. V. B. Karade and Vice-Principal Dr. B.B. Agedkar participated in this webinar to witness the beauty of Kaas Plateau.

The national webinar concluded with vote of thanks to eminent speakers, dignitaries and participants proposed by IQAC Coordinator, Mr. S. P. Kamble. Internal Quality Assurance Cell, Kisan Veer Mahavidyalaya, Wai. Anchoring of the entire programme was conducted by Organizing Secretary, Dr. M.V. Ingawale.

The organizers are thankful to the honorable authorities of Sanstha and I/C Principal Dr. E. B. Bhalerao for permitting the organization of online National Webinar. The tireless technical support given by Dr. Kiran Sontakke, Mr. Kiran Shinde, Mr. Mahendra Koli, Mr. Aniket Chavan, Mr. Sunil Chavan, Mr. Dilip Jadhav is appreciable. The necessary arrangements provided by the non-teaching staff of the college are noteworthy to mention. Thanks to all the expert speakers, dignitaries and participants for their cooperation to make the event successful

Report of National Webinar on "Agricultural Pests and Management" Organized by Department of Zoology and IQAC, Kisan Veer Mahavidyalaya, Wai, on Friday, 4th September 2020 at 11.00 am under Lead College Scheme

1. Welcome address was given by Mr. Ravindra V. Bakare, the Convener of the National Webinar and Head, Department of Zoology. He offered warm welcome to Hon. Dr. U. Sreedhar, Principal Scientist & Head, Division of Crop Protection, Central Tobacco Research Institute, ICAR, Rajahmundry, Andhra Pradesh. Hon. Professor Dr. S. B. Kharbade, Associate Dean, College of Agriculture, Nandurbar, Mahatma Phule Krishi Vidhyapeeth, Rahuri Hon. Professor Dr. M. V. Santha Kumar, Head, Department of Zoology, Shivaji University, Kolhapur Hon. Dr. J. S. Chaudhari, Secretary, Janata Shikshan Sanstha, Wai Hon. Dr. E. B. Bhalerao, I/C Principal, Kisan Veer Mahavidyalaya, Wai and all participants. He also narrated about the situations caused due to Covid- 19 pandemic has been causing a lot of havoc to human endeavors all over the world. Classroom teaching, organization of curricular and extracurricular activities at the campus is no longer possible. Thanks to the internet and the online Apps, it has become possible to conduct online classes as well as online organization of webinars. Ours is one such attempt to organize this National Webinar on the most relevant topic causing a lot of damage to crops and Agriculture.
2. Dr. S. R. Sawant introduced Dr. J. S. Choudhary, Chief Guest, Dr. U. Sreedhar, Keynote speaker; Prof. Dr. S. B. Kharbade and Prof. Dr. M. V. Santhakumar; which were resource persons for the online webinar.
3. Dr. J. S. Choudhary announced the inauguration of the webinar and guided the participants about the importance and use of ICT in education.
4. The inauguration programme was concluded with vote of thanks offered by Mr. S. P. Kamble, Coordinator, IQAC.
5. Prof. Dr. S. B. Kharbade delivered and presented Lecture on Locusts. Locusts are perhaps the close enemy which I feel now may attack in early years. **Locust** swarms are infamous for voraciously feeding on agricultural crops, trees, and other plants. In fact, this feeding can devastate crops and grasses grown for people and livestock, causing famine and starvation in communities that depend on their crops for survival
6. Prof. Dr. M. V. Shanthkumar delivered and presented lecture on Invasive Pests. He discussed in details about destruction and control of pests. He also answered the queries of the participants.
7. Dr. H. D. Kanase, Organizing Secretary of Webinar offered vote of thanks.
735 participants have registered for the webinar and it was linked to you tube live streaming.

BRIEF REPORT OF PROGRAMME

Today the human world is standing at a crucial juncture in its development. Never before the entire earth's resources have been facing the threat of its depletion. Environment has been studied in a science discipline, however its impact on human beings, societies, communities invites to study or explore from humanities discipline. The study of environmental history has become very important in the 21st century as an interdisciplinary or multidisciplinary research area.

One Day National Webinar (on ZOOM Application & Live Streamed on institutional YouTube Channel KVM, Wai) on '*Gender & Environmental History*' was organized by the Department of History, IQAC and Women Empowerment Cell in collaboration with Shivaji University History Conference, Kolhapur on **26th July 2021**. Dr. Avanish Patil, (Chairman BOS & Head, Department of History, Shivaji University Kolhapur) was invited as Chief Guest for inauguration. Dr. Mahua Sarkar (Eminent Environmental Historian & Professor, Department of History, Jadavpur University, Kolkata (West Bengal) was invited to deliver lecture as a Keynote Speaker. Dr. Manisha Rao (Eminent Eco-feminist, Assistant Professor, Department of Sociology, University of Mumbai, Mumbai) was invited to deliver lecture as a Resource Speaker. At the very outset Mr. B. M. Birajdar, (Convener of the Webinar) welcomed all the dignitaries, invitees, participated students and teachers. Later on he introduced the theme of Webinar to the audience. Due to flood situations in Western Maharashtra especially, Kolhapur, Sangli, Satara districts Dr. Avanish Patil unfortunately could not inaugurate the webinar; he simply joined in a last moment. Therefore, Dr. J. S. Choudhari, Secretary, Janata Shikshan Sanstha, Wai as a Chief Guest of Honour, formally announced the inauguration of the webinar. Then, Guest Speakers were introduced to the audiences by Dr. M. V. Ingawale (Organizing Secretary of the Webinar) & Mr. B. M. Birajdar respectively. Later on Keynote speaker Dr. Mahua Sarkar delivered a wonderful speech on the topic entitled '*Recent Trends in Environmental History*' 'by elaborating definition of environmental history, overview of its historiography, environmental history writings in India by emphasizing role and contributions of women in environmental conservation and movements. Dr. Manisha Rao delivered an insightful lecture with Power-Point Presentation on the topic entitled '*Reviewing Eco-Feminism: A*

Socio- Historical Analysis. She narrated with the concept of 'eco-feminism', contributions of women in environmental conservation and movements from global to local level with appropriate video clips especially contributions of Rachael Carlson, Vangari Mathai (Kenyan Green Belt Movement), Chipko Movement, Appiko Movement etc. In her concluding remarks she pointed out emerging research areas within environmental sociology, history by focusing indispensable role of women in natural resource management, domestic responsibilities and role of feminine cultural ethos in ecological equilibrium and restoration. Dr. R. R. Vaidya (I/C Principal) presided over the function. In his presidential speech he elaborated the concept of eco-drama having different roles of men and women in environment and ecology. The webinar has been thrown a fresh insight on different aspects gender and environmental history. Dr. M. V. Ingawale compered the programme. At end of programme, Dr. S. P. Kamble, proposed the vote of thanks. There were more than 130 participats including teachers, researchers and students registered for the webinar.

Corona Awareness Program 'My Village Corona
Free Village '
(23rd May 2021 to 14th July 2021)

As we all know about the effect of corona virus on human life. In this pandemic situation our NSS department volunteer engaged in social work like awareness about mask, sanitizer and social distancing. This is a very renown work done by NSS volunteer.

Shivaji University, Kolhapur NSS department announced a program "My Village Corona Free Village' our college NSS department announced this program for 10 villages. We adopted 10 villages from wai taluka these villages are Krnjal, Bopardi, Navechiwadi, Badewadi, Wakhanwadi, Morjiwada, Surur, sithnathwadi, Shendhurjane and Gundeqwadi .

All volunteers made groups to do this work and made 'online corona Awareness Program' for these villagers. In this very important movement we invite some famous doctors, physician, psychiatry, social worker. Counsellor for giving online lectures to all villagers on the zoom platform. Every Sunday and Thursday from 23 May 2021 to 14 July 2021 this Lecture series of Awareness about corona continuously made for villagers.

This series of Awareness program also on the YouTube channel of our college and many students, teachers are giving benefits of this activity.
