#### INTRODUCTION:

Janata Shikshan Sanstha's Kisan Veer Mahavidyalaya, Wai, established by Kisan (Abasaheb) Mahadev Veer, the veteran freedom fighter and by Tarkateertha Laxmanshastri Joshi, the then Chairman of the Maharashtra State Board for Literature and Culture and the Chief Editor of the Marathi Vishwakosha (Encyclopedia), is one of the best rural colleges affiliated to Shivaji University, Kolhapur. The pioneers showed exemplary zeal in promoting higher education in the rural population and took unprecedented efforts in mobilizing popular and monetary support for the development of the college premises. Although the college made a humble beginning with only Arts and Commerce faculties way back in 1962, it soon added M. Com., M. A. (Marathi, English Hindi and Economics) and the Science Faculty. Hon. Shri Prataprao Bhosale, President of Janata Shikshan Sanstha, Wai and Late Hon. Shri Laxmanrao Jadhav-Patil, Vice-President of Janata Shikshan Sanstha, Wai have made a remarkable contribution to the enhancement of the quality of education imparted in the college taking into consideration the changing needs of the student population.

Janata Shikshan Sanstha is one of the largest educational managements in Wai tahsil having 7 high Schools and one college. Its rural and hilly area college is located on the foot hills of the offshoot of Sahyadri Range outside the south-west border of Wai city. It is almost one Kms away from the Central Bus Stand. Majority of the students come from the rural area of Wai and the nearby Tahsils. The college is Grant-in-aid and has permanent affiliation of Shivaji University, Kolhapur. Janata Shikshan Sanstha, Wai, which governs the present college, has chosen "as the symbol of its ideals and aspirations, the resplendent Sun that dispels the darkness of ignorance and fills the entire humanity with the light of knowledge. Bathed in that light and illuminated, the students of this college march about, to enlighten their brethren announcing, in Saint Tukaram's words:

**"To light up the paths indeed have we come"**

(quoted from the college magazine Krishnai, 1965)

The motto of the management is, thus, "To Light Up the path, Indeed have We Come" (*Ujalavaya Aalo Vata*). In tune with the motto of the management, the college has set the following vision and mission:

## Best Practices

### Women Empowerment

Every citizen of the country, male and female, enjoys the right to education and employment in an environment of safety and security. The Constitution of India provides for "Gender Equality" and the "Right to life and liberty" to all persons under Articles 14, 19 and 21. It is thus the duty and mandate of every organization to provide maintenance of the fundamental rights to live and work with dignity for all employees - male and female.

The year 2001 was declared as the "Women Empowerment Year". The Constitution not only grants equality to women, but also empowers the State to adopt measures of positive discrimination in favour of women. The formation of Women Empowerment cell at the educational Institutions was proposed to safeguard the women from any discrimination and unbecoming behavior.

**Women Empowerment Cell is formed with the following aims:**

Women Cell of Kisan Veer Mahavidyalaya, Wai is established with the motto of “towards self-empowered mind“. The cell aims to empower girl students and faculty, enhance their understanding of issues related to women and to make the college campus a safe place for girls and women and to address the practical issues related to the welfare and equal opportunities for Women faculty, staff and students. It also provides a platform for girl students to share their experiences and views regarding their status in the society. Added to it suggestions for improvement and empowerment among themselves has been given.

**Aim:**

To create awareness about Women’s Right and empower girl students.

**Objectives:**

1. To promote a culture of respect and equality for female gender.
2. To organize awareness programs on gender sensitization.
3. To conduct seminars and workshop to impart knowledge of opportunities and tools available and train the girl students.
4. To arrange seminars to create awareness on the economic, social, and legal rights of women.
5. To organize different activities to make girl students aware of their health, sports, self-defense etc.
6. To conduct various competitions to encourage their artistic talents for creative thinking
7. To highlight the importance of spirituality, health, hygiene and safety
8. To celebrate every year 8th March as International Women’s Day
9. To Counsel Girl students by ladies doctor.

Thus cell would be working towards building self confidence among girl students by means of guest lectures and workshops. It also inspires girl students for attaining higher education so that the future scope is maximized.
