

Majority of the students seeking admission in the college belong to Wai, Khandala, Mahabaleshwar, Koregaon and Jaoli talukas of Satara District. The students from the outside state or from outside country rarely seek admission in the college. Since there is no admission from outside the state since last five years the data template is nil. However, the college administration is seriously thinking in this direction.

College has communicated the acceptance for admission of students from Jammu and Kashmir under the Priminister's Special Scholarship Scheme.

Respected Madam

Thank you very much for sending the break-up of seats for J & K students under the LGC scheme. We hereby communicate our acceptance of the said break-up of seats (Commerce - 5 and Arts - 5). In this regard, I would like to inform you that we also have science faculty (commenced in 1962) in which there is a faculty of graduation (B.Sc. in Chemistry, Physics, Zoology, Botany, Mathematics and 5 aids/ics) and post graduation (M.Sc. Organic Chemistry). I therefore request you to allow some students for science faculty also.

Thank you,
Yours sincerely,
Dr. C.G Yeole
