

Office of the  
Kisan Veer Mahavidyalaya, Wai  
Date: 12-08-2017

**CIRCULAR:-**

**Committees and Allotment of Responsibilities 2017-18**

Objectives: - The various committees have been set up with the following objectives in view.

1. To provide varied exposure with the idea of making the campus life richer and innovative for the students.
2. To make students explore different possibilities for self expression.
3. To help students get a complete educational experience by encouraging them to develop versatile personality and instil confidence and social grace in them.

*Guidelines for functioning:-*

- i) Committees are expected to meet at least twice a term to discuss and plan programmes related to their subjects.
- ii) The convener of each committee has to maintain a minute book (record) of the meeting and the activities conducted and present it to the Principal at the end of each term.
- iii) The programmes to be presented before the students should be planned after a prior discussion with the Principal and a copy should be given to the Coordinator of the IQAC.
- iv) Activities should be conducted with the help of the General Secretary, Class Representatives, and other student representatives of the college.

# INVITATION

Dear Sir/Madam,

It gives us immense pleasure to invite you to participate and present your Research Paper in a One-day National Conference on "Recent Trends in Botany" organized by the Department of Botany of our college in association with Shivaji University, Kolhapur on 30<sup>th</sup> December 2017. In this occasion, we wish to provide an opportunity to listen to the eminent academicians of international repute.

## ABOUT THE COLLEGE

Janata Shikshan Sanstha's Kuan Veer Mahavidyalaya, Wai is one of the best rural colleges affiliated to Shivaji University, Kolhapur. It was established by Shri. Kuan Veer, a veteran freedom fighter and Padma Bhushan Tinkarashil Jadhav, a renowned Sanskrit Scholar. The college made a humble beginning with only Arts and Commerce faculties. It has added N.Com., M.A. (Marathi, English, Hindi and Economics), Science Faculty, ECA, YCMOU Nashik Study Centre and M.Sc. (Organic Chemistry) during the last fifty years. The college was started with only eighty students. Now the strength of the college is more than six thousand. Our students have excelled in the academic, cultural, sports, NSS and NCC fields at University, State, national and sometimes at International levels. A good number of our faculty holds M. Phil, Ph. D. degree.

## ABOUT THE MANAGEMENT

The Management is knowledgeable, committed, philanthropic and service-oriented. Hon. Shi. Pratapa Bhosale, President and Trustee and Hon. Shri. Laxmanrao Jadhav-Pill, Vice-President and Trustee of Janata Shikshan Sanstha, Wai have made remarkable contribution to the enhancement of the quality of education in the college taking into consideration the changing needs of the students. The Management has shown a great sense of social commitment by launching noble project of "Jai Gitan Boys Hostel" for the students belonging to the families of the farmers who have committed suicide in the region of Marathwada and Vidarbha. The Principal, teaching staff, Non-teaching Staff and Alumni of the college have provided the financial assistance to the construction of this hostel.

## ABOUT THE DEPARTMENT

It was a long cherished dream of our most Hon. President, Hon. Vice-President and the Members of our Management to give higher education in Science, even though it was expensive. To fulfill this dream, they started Science Faculty in the year 1982. Botany as a subject was started right from the beginning. Mr. Rajesh Telore stood first in merit at the University Examination and won "Late Tara Memorial Prize" in 1987. We are really proud of our B.Sc. students as they have presented and published their research papers in two National Conferences. Our Department received a grant of Rs. Seven Lacs and Fifty Thousand from Ministry of Environment and Forest, New Delhi for strengthening the Botanical Garden Project in 2003/2002. Most of our students have been selected for government jobs, private industries research institutes, corporate world and have been occupying significant positions. The teachers of the Department are quite experienced and well-qualified. Most of them are engaged in research work and projects.

## ABOUT WAI

Wai is a city in Satara district in Maharashtra, which is also known as "Dakshin Kashi" and was known as "Vrat Nipati". Wai is known in Maharashtra for its ghats on the banks of the Karna river and its temples, including the "Wairanganal Temple". The city is famous for the entires of "Ashvakosta" and "Dharmikasha". "KJAS Plateau", a biodiversity hotspot, famous for seasonal wild flowers bloom recently declared as UNESCO World Natural Heritage Site, is only 50 kms away from Wai.

## ABOUT THE CONFERENCE

The study of plants is an ancient origin. Right from the beginning of human history, we find that man has been using his knowledge of herbs, wild plants, tubers to fulfill his dietary needs and to cure different diseases. Botany as a subject has been included at the college and university levels in order to provide the knowledge of plants to the students. Research in Botany has largely concerned with the increase in crop production in proportion with the growth in human population. Medicinal requirements also play a pivotal role in the current research in the field of Botany. The most exciting fields of research in Botany today are Biotechnology, Genetic Engineering, Pharmacology, Nano Technology, etc. More research is required and along with it, many platforms need to be provided to present this research. The present conference provides one such platform.

## THEMES

Sustainable Agriculture  
Agronomy and Horticulture  
Biotechnology and Genetic Engineering  
Biological Science  
Ethnobotany  
Environmental Science  
Allelopathy and Applied Botany  
Cytogenetic and Plant Breeding

## GUIDELINES FOR THE SUBMISSION OF PAPER

The papers of research work on the respective themes based on original research undertaken are invited from the participants for presentation in the conference.

The paper should be typed in MS word on A4 size paper with 1.5 margins from all the sides & spacing in Times New Roman font (12 pt).
