Ref: Your Reports for the same period....

Dear Sir,

With reference to the above cited matter, I am pleased to mention that the green challenges taken up by the green audit team of your college have been implemented with great enthusiasm. The members of the team viz. Dr. Vaidya R. R., Dr. Bhalerao E. B., Mrs. Ingawale M.V. including you have worked dedicatedly and achieved the result as dreamt.

The planning for the green campus was started in 2011 and the team started its green implementation in 2013 and after the monitoring with the regular visits and the proper maintenance, the campus has taken a great and green shape.

The green initiative through the massive tree plantation, the waste disposal management, energy management and green management has really given green effect to the overall environment and thus the health hygiene and the quality of education has got improved to the fullest as desired.

It is therefore great pleasure to certify the
