## Paperless Communication through WhatsApp

The image displays two screenshots of a WhatsApp conversation. The left screenshot shows a message from 'Bakare sir' dated 09/05/2018, stating 'Department Profile Received' and listing five departments: English, Geography, Physics, Psychology, and Statistics. Below this, a message from 'Vaidya' lists various UG and PG programmes (B.Sc., Chemistry, Maths, Zoology, Stat, Physics, M.Com., M.Sc. Chemistry, M.A. English) and requests to send them urgently to the email ID ramesh.vaidya@rediffmail.com. The right screenshot shows a series of messages from 'bakare' starting with 'New Faculty Profile 2013-2...' (MS Word document), followed by a request to complete and send the profile to ravi\_bakare@hotmail.com or a soft copy in person. This is followed by another 'New Faculty Profile 2013-2...' (PDF document), a note that both Word and PDF files are available, and a request to preserve uniform presentation. Further messages state that the profiles are essential for the website, NAAC, and department presentations, and request additional academic information. The conversation concludes with 'Corrections invited' and 'Please add M. Phil. / Ph. D.', and a final note that the profiles are available in the NAAC room.
