Corona Awareness Program
'My Village Corona Free Village'
(23rd May 2021 to 14th July 2021)

As we all know about the effect of corona virus on human life. In this pandemic situation our NSS department volunteer engaged in social work like awareness about mask, sanitizer and social distancing. This is a very renown work done by NSS volunteer.

Shivaji University, Kolhapur NSS department announced a program "My Village Corona Free Village" our college NSS department announced this program for 10 villages. We adopted 10 villages from wai taluka these villages are Krnjal, Bopardi, Navechiwadi, Badewadi, Wakhanwadi, Morjiwada, Surur, sithnathwadi, Shendhurjane and Gundeqwadi.

All volunteers made groups to do this work and made 'online corona Awareness Program' for these villagers. In this very important movement we invite some famous doctors, physician, psychiatry, social worker. Counsellor for giving online lectures to all villagers on the zoom platform. Every Sunday and Thursday from 23 May 2021 to 14 July 2021 this Lecture series of Awareness about corona continuously made for villagers.

This series of Awareness program also on the YouTube channel of our college and many students, teachers are giving benefits of this activity.
