**Report:**

National Service Scheme (NSS) volunteers of our college took part in the relief and rescue operations on war-footing basis about flood relief of Kolhapur district floods hovered over Kolhapur and Sangli districts in western Maharashtra following heavy rain in the catchment areas in the month of August. This resulted in a massive discharge of water from major dams, spiking the water level in the Panchganga River, which coursed through Kolhapur, and the Krishna River that passes through Sangli. Residents living in the vicinity of these rivers in the two districts had been asked to move to safer zones by the district administrations. For this purpose Shivaji university called for NSS units of all affiliated colleges. 100 NSS students along with 02 coordinators of our college joined this residential disaster management camp.
