**Report:**

Drug abuse and its illicit trafficking is one of the main issues many countries are dealing with today. Many unemployed youth, college students and even women have become slaves of drugs and have lost their lives. Irrespective of several governmental actions, the problem of drug abuse is only growing globally. The United Nations took a decision on 7 December 1987 to mark 26th June of every year as an International day against drugs and illicit trafficking of drugs. For this purpose our NSS unit Organize lecture of awareness of this problem by Dr,Shantanu Abyankar.
