Report of **Corona Awareness Program:** "My Village - Corona Free Village" 2020-21

Corona virus made a great effect on the human life. In the pandemic situation, our NSS department of Kisan Veer Mahavidyalaya, Wai volunteer engaged in social work like awareness about mask, sanitizer and social distancing. This is a very renowned work done by NSS volunteer.

Shivaji University, Kolhapur NSS department announced a program "My Village Corona Free Village'. NSS department of our college announced this program for 10 villages. We adopted 10 villages from Wai taluka. These villages are Kenjal, Bopardi, Navechiwadi, Badewadi, Wakhanwadi, Morjiwada, Surur, siddhnathwadi, Shendhurjane and Gundewadi.

All volunteers prepared groups to do this work and decided to run 'Online Corona Awareness Program' for these villages. In this very important movement, we invited famous Doctors, Physician, Psychiatry, Social Worker etc. Counsellor delivered online lectures to all villagers on the zoom platform. Every Sunday and Thursday from 23 May 2021 to 14 July 2021 this Lecture series was successfully organised and made aware the villagers about corona continuously.

This series of Awareness Program was uploaded on the YouTube channel of our college. It is opened for the public, students and teachers so all the stakeholders can take the benefits of this activity.
