Report:

World AIDS Day takes place on 1st December every year. It's the day that makes people aware worldwide to unite, fight against HIV, to support those people who are suffering from HIV and to commemorate those who have died from an AIDS-related illness. This disease was founded in 1988. Therefore, World AIDS Day was supposed to be the first ever global health day. Our NSS unit organized a rally from our college campus to Wai town to bring in awareness of HIV_AIDS among the students in particular and the society in general. Every year we form the Red Ribbon Club on this day. 40 students and 02 teachers participate in the rally.
