Janata Shikshan Sanstha's
KISAN VEER MAHAVIDYALAYA, WAI

Tal. Wai, Dist. Satara, Pin: 412803, MS (India)
Affiliated to Shivaji University, Kolhapur

2018-2019

Our Motto

"To Illumine the Paths, Indeed Have We Come"

Emblem

"JanataShikshanSanstha, Wai, which governs the present college, has chosen "as the symbol of its ideals and aspirations, the resplendent Sun that dispels the darkness of ignorance and fills the entire humanity with the light of knowledge. "

Vision

To provide quality higher education to the students, residing in Wai and nearby tehsils, in order to make them competent and self-reliant in every walk of life and also to make available free higher education and free hostel facility to those belonging to the families of the farmers in Maharashtra who have committed suicides

Mission

"Higher education for all round development of the students"

Objectives

1. To provide higher education to all the students irrespective of their socio-economic and religious status.
2. To train the students as well as teachers to cope up with the changing needs of a modern dynamic society.

3. To impart value-based education, embodying socio-cultural, scientific, commercial and physical training in order to achieve all round development of the personality of all students.
4. To provide Career Oriented Courses, Distance Education, Education in Computer Applications, Remedial Coaching and Entry-in-Services Coaching along with conventional courses to the students and enhance their competence to meet the local as well as global needs.
5. To inculcate in the students the values of regularity, punctuality, honesty, humanity, patriotism, environment awareness, national integration, work culture and communal harmony.
6. To give special attention to the women empowerment programmes.

Our Sanstha

The Management of JanataShikshanSanstha, Wai shoulders parental responsibility and cares for every organ of the institution. The Principal, three Coordinators, Heads of various Departments manage the daily institutional work. The Principal and LMC/CDC members take review of academic results, infrastructure development, recruitment of faculty and various methods and suggest remedies for the qualitative enhancement of the teachers and students. The Principal receives the feedback from the students and guides the faculty accordingly. The Vice Principals and HODs monitor the working of the faculty and if needed, guide and counsel them. The Management monitors the overall functioning of the

college through the LMC/CDC (Competent Legal Statutory Body) and the IQAC. The Management has delegated its power and responsibilities to the competent authorities like The Principal, Coordinators, and Committee Conveners and the IQAC. It has thus adopted the policy of decentralization of powers in the process of academic administration and development. The Management allows the faculty adequate freedom in performing various duties and responsibilities in tune with the vision and mission statements of the institution. The Management gives an opportunity to the faculty members to participate in workshops, seminars and conferences at different levels. Teachers have been deputed for Ph. D under FIP and for orientation and refresher courses. The Principal encourages the faculty to undertake individual or collaborative minor and major research projects. The learning process of the students is evaluated through oral tests, diagnostic tests, seminars, projects, Terminal and Preliminary examinations etc. Internet facility at the concessional rate, Reading Room, Library and Book-Bank facilities are provided to the learners. The management motivates the students, teachers, the Non-teaching staff to maintain Unity and Team spirit in the institution. It also promotes competitive spirit and healthy practices. The Management mobilizes resources by raising funds from the Alumni and from the well-wishers of the institution. The Management takes a review of academic and administrative work by

organizing meetings with all the staff from time to time. The Management organizes a Programme called “Gunagourav of the Students and Teachers” (Annual Appreciation Day) on the occasion of the Foundation Day of JanataShikshanSanstha, Wai every year and felicitates meritorious students. The Management organizes Guest Lectures on profound thoughts and ideas of great thinkers and freedom fighters from time to time.

Our College

Kisan Veer Mahavidyalya, Wai Kisan Veer Mahavidyalya, Wai is affiliated to Shivaji University, Kolhapur and is one of the best rural colleges of this University in terms of academic, cultural, NSS, NCC, and Sports achievements. The college was started as the “Arts and Commerce College, Wai” under the aegis of Prajnapathshalamandal, Wai by Deshbhakta Kisan Mahadev alias Abasaheb Veer, a veteran freedom fighter and Tarkateertha Laxmanshastri Joshi, a renowned Sanskrit scholar, in 1962. At first, the college was affiliated to the University of Pune, and after the establishment of Shivaji University, Kolhapur, it, along with the other colleges of the four districts, of Satara, Sangli, Solapur and Kolhapur, came to be affiliated to the new university. The college made a humble beginning with only Arts and Commerce faculties in 1962, but soon the M. Com. was inaugurated by Dr. Appasaheb Pawar, the then Vice Chancellor of Shivaji University, Kolhapur, on 4th July 1969. In 1973, the Postgraduate Departments of Marathi and English were added. The undergraduate classes of the college got the permanent affiliation of the University in 1982. In 1982,

the Sanstha introduced Science Faculty and under the dynamic leadership of Hon. PratapraoBhosale, one additional building consisting of well-equipped Science laboratories, classrooms, etc.was constructed and completed around that time.

The college was accredited in 2004 and re-accredited in 2013 by National Assessment and Accreditation Council, Bangalore. Recently, the college has

introduced M. Sc. (Organic Chemistry). At present, there are about 6000 students taking Higher Secondary, Graduate and Post-Graduate education in our college. We do have additional student strength of about 2000 under the YashwantraoChavan Maharashtra Open University, Nashik. The college imparts education in Arts, Commerce and Science faculties along with the degree course in Bachelor of Computer Applications (BCA). Our NCC unit is vibrant and our cadets have received awards and recognition at the State and National levels. Our NSS unit has adopted the village Vyajawadi for extension activities and taken initiatives in organizing Blood Donation Camps, Tree Plantation, Literacy Mission, AIDs Awareness, Voters Awareness, Pulse Polio, Nirmal Gram Yojana, etc. The college has adopted such measures as Earn and Learn Scheme, Parent-Teacher Scheme, Book Bank, Career Counselling, etc. The students have bagged medals/awards/recognition in Athletics, Mallkhamb, Archery, etc. at the University, State, and National levels. The support services of the college include well-equipped Science Laboratories, Library & Information Centre, Women’s Hostel, Boys Hostel, Indoor Sports Facility, Playground, Canteen, Students’ Cooperative Store run

by the Staff and Students, Health Care Centre, Students’ Shed, Parking, Tight Security, CCTV Surveillance, Botanical Garden with lawns and canopy plants, etc. In 1962, the strength of the college was only 80. At present, it is more than six thousand. The growth of the college is not only quantitative, but also highly qualitative.

Our students have excelled in the academic, cultural, sports, NSS and NCC fields at the university, state, national and, sometimes, international levels. Many of our students have occupied good positions in administration, industry, banking, research, and corporate world. The faculty of our college is well-qualified
